23 the county midway on its northern border, turns and re-enters approximately
24 twenty miles west to flow southwest through Idaho Falls; and

25 WHEREAS, Caribou National Forest, Grays Lake National Wildlife Refuge
26 and Targhee National Forest all lay partially within the boundaries of Bon-
27 neville County, and Yellowstone National Park is adjacent; and

28 WHEREAS, Bonneville County's county seat is Idaho Falls and the water-
29 falls in the city limits are a focal point that were created by a diversion
30 dam that provides hydroelectric power; and

31 WHEREAS, the original dam was built in 1909 and in 1928 a bond election
32 was called for \$100,000 to finish the power plant; today's dam was con-
33 structed as part of a \$55.3 million hydroelectric power project in 1982, and
34 the citizenry of Idaho Falls paid \$48.0 million in taxes to fabricate the
35 hydroelectric power plant and the U.S. Department of Energy in turn funded
36 \$7.3 million allowing for completion of the power plant for a total of three
37 power plants that produce hydroelectric power for Idaho Falls and combined
38 they produce fifty percent of the electricity needed; and

39 WHEREAS, Bonneville County is less than 100 miles from Yellowstone and
40 Grand Teton National Parks and is one of eastern Idaho's regional centers for
41 shopping, medical care, cultural awareness, education, development of new
42 energy and education infrastructure with the AREVA Eagle Rock Enrichment Fa-
43 cility, and the Center for Advanced Energy Studies (CAES); and
