

STATEMENT OF PURPOSE

RS20229

This resolution would authorize the Legislative Council to continue an interim committee to undertake a study of energy, environment and technology issues and to monitor the integrated state energy plan.

FISCAL NOTE

If this resolution is adopted by the legislature and the committee is continued by Legislative Council, any necessary legislator travel and per diem expenses would be paid from the existing legislative appropriation to the Senate and House of Representatives. Funding for staff support and expenses would be provided from the existing appropriation to the Legislative Council for the Legislative Services office. There would be no additional impact upon the state general fund as a result of this resolution.
