

STATEMENT OF PURPOSE

RS20044

This Act makes it unlawful to manufacture, sell or distribute a blunt wrap in the State of Idaho. Blunt wraps are defined as individual tobacco wrappers also known as wraps or roll your own cigar wraps, that are made wholly or in part from tobacco, including reconstituted tobacco, whether in the form of leaf, sheet or tube. Blunt wraps are used by minors and others as paraphernalia to hold illegal burning substances, such marijuana or cannabis.

FISCAL NOTE

It is estimated that banning the sale of blunt wraps will reduce general account tax receipts by \$1,850 annually.
