

STATEMENT OF PURPOSE

RS20160

The purpose of this legislation is to amend Title 70 Chapter 22 authorizing the legislature to create an intermodal commerce authority in each city in addition to each county. The purpose of an intermodal commerce authority is to promote and coordinate efficient freight transportation and build industrial and shipping commerce infrastructure for related economic development using private-public revenue bonds. Counties remain authorized to have intermodal commerce authorities. For a city to implement this authority the city council must pass a local ordinance consistent with public notification, processes and public hearings. Use of property tax bonds or levies is expressly prohibited.

FISCAL NOTE

There is no state general fund fiscal impact.
