

## STATEMENT OF PURPOSE

### RS20317

This bill would amend Chapter 70, Title 67, Idaho Code to include that any person sixteen years and younger must complete a state approved education course on boating safety before operating any water vessel. In lieu of a course, an approved equal exam must be completed. Any exam must be proctored. Upon completion, the individual would receive a certificate of completion.

## FISCAL NOTE

There is no fiscal impact.
