

## STATEMENT OF PURPOSE

### RS20140C1

This amendment clarifies the requirement of security for the payment of worker's compensation by employers. It does nothing to change the original legislative intent relating to maintaining security adequate to secure the payment of benefits to injured workers and their families. It also updates the term "workmen" to the commonly used "workers."

## FISCAL NOTE

There will be no fiscal impact to the General Fund as a result of this amendment.
