**TO:** Rules Review Subcommittee of the Senate Health & Welfare Committee and the House Commerce & Human Resources Committee

**FROM:** Legislative Research Analyst - Ryan Bush

**DATE:** September 10, 2012

**SUBJECT:** Department of Health and Welfare - Child and Family Services, Rules and Minimum Standards for DUI Evaluators

IDAPA 16.06.01 - Rules Pertaining To Child and Family Services (Docket No. 16-0601-1202)

IDAPA 16.06.08 - Rules Pertaining To The Rules and Minimum Standards for DUI Evaluators (Chapter Repeal) (Docket No. 16-0608-1201)

### **(1) 16.06.01 - Rules Pertaining To Child and Family Services (Docket No. 16-0601-1202)**

The Department of Health and Welfare submits notice of proposed rulemaking at IDAPA 16.06.01 - Rules Pertaining To Child and Family Services. The Department states that the proposed rulemaking is to clarify what information the Department can and must provide to foster parents and other professionals involved in the ongoing care of children in Idaho's child welfare system. Specifically, this rulemaking revises the information for alternate care providers such as the child's portion of the service plan including visitation arrangements, case history of the child and history of the child's previous placements. This rulemaking also provides for discretionary disclosure of information on a need-to-know basis to professionals involved in the care of a child who is the subject of a report of abuse, neglect or abandonment so as to maintain the safety and well-being of the child. Such professionals include physicians, teachers and mental health professionals.

The Department states that negotiated rulemaking was not conducted because it was not deemed feasible and the purpose of the rulemaking was to provide clarification and guidance. There is no fiscal impact associated with this rulemaking. Public hearings on this rulemaking will be held on September 18 in Boise, September 19 in Coeur d'Alene and September 20 in Pocatello.

The proposed rule appears to be within the statutory authority granted to the Department in Sections 16-1629, 56-202(b), 56-204A, 56-803, 56-1003 and 56-1004, Idaho Code.

### **(2) 16.06.08 - Rules Pertaining To The Rules and Minimum Standards for DUI Evaluators (Chapter Repeal) (Docket No. 16-0608-1201)**

The Department of Health and Welfare submits notice of proposed rulemaking at IDAPA 16.06.08 - Rules Pertaining To The Rules and Minimum Standards for DUI Evaluators (Chapter Repeal). The Department states that the courts and the Department have agreed that it is more effective and efficient to end separate licensing for

DUI evaluators and have DUI evaluations conducted at treatment facilities approved under IDAPA 16.07.20. Therefore, this chapter of rules will be repealed in its entirety.

The Department states that negotiated rulemaking was not conducted because the chapter is being repealed at the request of the courts. A public hearing on this rulemaking will be held at the Department's central office in Boise on September 13 with video conference available at all regional offices. The Department states that the repeal of this chapter will result in a loss of approximately \$2,500 per year due to loss of fees imposed on DUI Evaluators.

The proposed rule appears to be within the statutory authority granted to the Department in Sections 39-311, 56-202(b) and 56-1003, Idaho Code.

**NEGOTIATED RULEMAKING:** Pursuant to Section 67-5220, Idaho Code, negotiated rulemaking was not conducted. Negotiated rulemaking is not feasible as this chapter is simply being repealed at the request of the Courts.
