SUBJECT: Bureau of Occupational Licenses

IDAPA 24.10.01 - Rules Pertaining To The Rules of the State Board of Optometry (Docket No. 24-1001-1201)

IDAPA 24.14.01 - Rules Pertaining To The Rules of the State Board of Social Work Examiners (Docket No. 24-1401-1201)

IDAPA 24.15.01 - Rules Pertaining To The Rules of the Idaho Licensing Board of Professional Counselors and Marriage and Family Therapists (Docket No. 24-1501-1201)

IDAPA 24.17.01 - Rules Pertaining To The Rules of the State Board of Acupuncture (Docket No. 24-1701-1201)

1. The Bureau of Occupational Licenses has submitted proposed rulemaking at IDAPA 24.10.01 - Rules Pertaining To The State Board of Optometry (Docket No. 24-1001-1201). The proposed rule in this docket revises a number of provisions and removes language that the Bureau states is outdated. Among the revised provisions are the following: Rule 150 governing meeting notice and how often the Board of Optometry shall meet (at least annually); Rule 175 governing the method of application including provisions dealing with exam content; and Rule 200 relating to the approval of schools of optometry.

Other Rules modified include the rule relating to the code of ethics (Rule 325) where language in a number of subsections is being deleted; Rule 425 defining gross incompetence; and Rule 450 governing prescriptions for spectacles and contact lenses. Other Rules that are revised include Rule 475 governing storage of patients' records; and Rule 600 relating to the use of certain pharmaceutical agents.

The Bureau of Occupation Licenses notes that negotiated rulemaking was conducted in this docket.

It appears that the proposed rule is authorized pursuant to section 54-1509, Idaho Code.

2. The Bureau of Occupational Licenses has submitted proposed rulemaking at IDAPA 24.14.01 - Rules of the State Board of Social Work Examiners (Docket No. 24-1401-1201). The proposed rule revises and adds to the current rule in a number of sections. Specifically, the proposed rule adds a new definition of the term "relative" relating to the Board's code of professional conduct (Rules 10 and 450). The proposed rule includes a substantial revision to supervision requirements, specifically by eliminating subsections governing "supervision" in Rule 201, but then adding a new "Supervision Rule" (Rule 210). This new "supervision"

rule includes provisions governing supervised experience, pursuing licensure as an independent practitioner, pursuing licensure as a clinical social worker and out-of-state supervised experience. The rule governing social work supervisor registration is also revised (Rule 211) and includes a number of new provisions governing the renewal of a supervisor's registration. (Rule 211.03). Also, language governing examinations is revised in Rule 350 and finally, the code of professional conduct is revised to include new subsections governing dual relationships, business relationships and bartering (Rule 450.05).

The Bureau of Occupational Licensing notes that negotiated rulemaking in this docket was not conducted because the changes reflected in the proposed rule were discussed during scheduled board meetings.

It appears that the proposed rule is authorized pursuant to section 54-3204, Idaho Code.

3. The Bureau of Occupational Licenses has submitted proposed rulemaking at IDAPA 24.15.01 - Rules of the Idaho Licensing Board of Professional Counselors and Marriage and Family Therapists (Docket No. 24-1501-1201). The proposed rule in this docket includes the following changes to the current rule: revises the rule governing incorporation by reference (Rule 004); revises provisions governing "supervised marriage and family therapy experience" (Rule 238); and minor revisions to the continuing education rule (Rule 425.01 and 425.03.e.). The proposed rule also provides for a new rule that governs the informed consent by patients (Rule 525).

The Bureau notes that negotiated rulemaking was not conducted because the changes are simple in nature and were discussed during open meetings of the Board.

It appears that the proposed rule is authorized pursuant to section 54-3404, Idaho Code.

4. The Bureau of Occupational Licenses has submitted proposed rulemaking at IDAPA 24.17.01 - Rules of the State Board of Acupuncture (Docket No. 24-1701-1201). The proposed rule in this docket revises the rule governing the renewal of a license and provisions governing the inactive status of a license (Rules 301 and 302). The proposed rule also establishes new provisions governing the approval of continuing education courses, the content of those courses, the disclosure of fees and their payment, the employment of unlicensed individuals, and the supervision of trainees and advertising. (Rules 306, 307 and 402 through 405).

The Bureau states that negotiated rulemaking was not conducted because the changes in the proposed rule are meant to clarify the existing rule and because the proposed rule was discussed at scheduled, noticed board meetings and were submitted to the Acupuncture Association.

It appears that the proposed rule is authorized pursuant to section 54-4705, Idaho Code.
