

STATEMENT OF PURPOSE

RS20831

This proposed legislation amends the current language in Idaho Code 46-1200 by extending the sunset clause from December of 2012 to December of 2018. This legislation also makes minor corrections to the language of the current section of this Idaho code. In addition this proposed legislation makes changes to the make up of Statewide Interoperability Executive Council (SIEC) to reflect the current needs.

FISCAL NOTE

There is no fiscal impact to the Idaho General Fund.
