44 Be It Enacted by the Legislature of the State of Idaho:

1 SECTION 1. That the Heading for Chapter 1, Title 16, Idaho Code, be, and
2 the same is hereby amended to read as follows:

3 CHAPTER 1
4 EARLY CHILDHOOD AND EARLY INTERVENTION SERVICES

5 SECTION 2. That Section 16-101, Idaho Code, be, and the same is hereby
6 amended to read as follows:

7 16-101. LEGISLATIVE FINDINGS. The legislature finds that there is an
8 urgent and substantial need:

9 (1) To enhance the development of all ~~infants and toddlers with dis-~~
10 ~~abilities~~ young children age birth to five (5) years with special needs in
11 the state of Idaho in order to minimize developmental delay, and to maximize
12 individual potential for adult independence;

13 (2) To enhance the capacity of families to meet the ~~special~~ needs of
14 their young children, particularly infants and toddlers with disabilities
15 special needs;

16 (3) To reduce the educational costs by minimizing the need for special
17 education and related services after infants and toddlers with ~~disabilities~~
18 special needs reach school age;

19 (4) To reduce social services costs and to minimize the likelihood of
20 institutionalization of individuals with ~~disabilities~~ special needs;

21 (5) To reduce the health costs of preventable secondary impairments and
22 ~~disabilities~~ special needs by screening and monitoring children at risk and
23 improving the long-term health of ~~infants and toddlers with disabilities~~
24 young children; and

25 (6) To comply with federal law as it pertains to services for infants
26 and toddlers with ~~disabilities~~ special needs and their families; and

27 (7) To develop, implement and sustain a statewide early childhood
28 strategic plan.

29 SECTION 3. That Section 16-102, Idaho Code, be, and the same is hereby
30 amended to read as follows:

31 16-102. POLICY. The legislature intends that the policy of the state
32 of Idaho shall be:

33 (1) To reaffirm the importance of the family in all areas of the child's
34 development and to reinforce the role of the family in the decision making
35 processes regarding their child;

36 (2) To provide assistance and support to the family of an infant or tod-
37 dler with a ~~disability~~ special needs that addresses the individual needs of
38 the family;

39 (3) To develop and implement with available resources a statewide
40 screening and tracking system for ~~infants and toddlers~~ young children at
41 risk;

42 (4) To develop and implement a statewide, comprehensive, coordinated,
43 multidisciplinary, interagency system of early intervention services for
44 all infants and toddlers with ~~disabilities~~ special needs and their families;

1 (5) To enhance the capacity to provide quality early intervention ser-
 2 vices and expand and improve existing early intervention services being pro-
 3 vided to infants and toddlers with ~~disabilities~~ special needs;

4 (6) To facilitate the coordination of payment for early intervention
 5 services from federal, state, local, and private sources including public
 6 and private insurance coverage; ~~and~~

7 (7) To guarantee financial assistance for the purposes of coordinating
 8 early intervention services in communities and to enhance their capacity to
 9 provide individualized services to infants and toddlers with ~~disabilities~~
 10 special needs and their families; and

11 (8) To build on statewide outcomes and shared goals that will enhance
 12 child well-being through family and community efforts.

13 SECTION 4. That Section 16-103, Idaho Code, be, and the same is hereby
 14 amended to read as follows:

15 16-103. DEFINITIONS. In this chapter:

16 (1) "Allocation" means state and federal funds designated for coordi-
 17 nation of program functions in the seven (7) regions.

18 (2) "Applications" means the documents submitted by the regional
 19 ~~infant-toddler~~ committees to the ~~infant-toddler~~ early childhood coordi-
 20 nating council, detailing the budget request for the regional committee
 21 activities and comprehensive component plans for the planning and coordina-
 22 tion of programs authorized in this chapter.

23 (3) ~~"Awards and contracts" mean the state and federal funds designated~~
 24 ~~by the lead agency for projects relating to planning, resource development,~~
 25 ~~or provision of direct service~~ "At risk" means there is a need for screening
 26 and tracking services to monitor a young child's development because such
 27 child has:

28 (a) Medical or biological risk factors, which refer to prenatal, peri-
 29 natal and neonatal events that increase the probability of delayed de-
 30 velopment or result in disability (for example, low birth weight, pre-
 31 maturity or abnormal neurological findings); or

32 (b) Environmental risk factors, which refer to high-risk environmental
 33 influences that may affect development or result in disability (for ex-
 34 ample, adolescent parent, poverty, psychiatric stress or known history
 35 of child abuse or neglect).

36 (4) "Council" means the state ~~interagency~~ early childhood coordinating
 37 council established in section 16-105, Idaho Code.

38 (5) "Director" means the director of the state department of health and
 39 welfare.

40 (6) "Early childhood comprehensive system" means the management
 41 structure established in section 16-104A, Idaho Code, that provides the
 42 interdependent continuum of services and activities for the provision of a
 43 statewide, comprehensive, interagency approach to coordinate resources for
 44 young children.

45 (7) "Early intervention services" means those services which are pro-
 46 vided under public supervision by qualified personnel, in conformity with
 47 the individual family service plan (IFSP), and are designed to meet the de-
 48 velopmental needs of eligible children as defined in this chapter. These
 49 services are selected and provided in collaboration with the families; and,

1 to the extent appropriate, are provided in types of settings in which infants
 2 and toddlers without ~~disabilities~~ special needs would participate. These
 3 services, necessary to enable the child to benefit from the other early in-
 4 tervention services, include:

- 5 (a) ~~a~~Audiology;
- 6 (b) ~~ease management~~ services coordination, including transitions
 7 planning;
- 8 (c) ~~f~~Family training, counseling or home-based services;
- 9 (d) ~~h~~Health services including dental;
- 10 (e) ~~m~~Medical services for diagnostic or evaluation purposes only;
- 11 (f) ~~n~~Nursing services to support the implementation of the individual-
 12 ized family services plan;
- 13 (g) ~~n~~Nutrition services;
- 14 (h) ~~e~~Occupational therapy;
- 15 (i) ~~p~~Physical therapy;
- 16 (j) ~~p~~Psychological services;
- 17 (k) ~~r~~Respice care;
- 18 (l) ~~s~~Social work services;
- 19 (m) ~~s~~Special instruction/developmental therapy;
- 20 (n) ~~s~~Speech and language pathology services; and
- 21 (o) ~~t~~Transportation including the cost of travel (e.g. for example,
 22 mileage, or travel by taxi, common carrier, or other means) and related
 23 costs (parking expense) that are necessary to enable an eligible child
 24 and the child's family to receive early intervention services; and
 25 (p) Vision and mobility training.

26 (68) "Early intervention system" means the management structure es-
 27 tablished in ~~this chapter~~ section 16-104, Idaho Code, comprised of the
 28 interdependent continuum of services and activities for the provision of
 29 a statewide, comprehensive, coordinated, multidisciplinary, interagency
 30 program for ~~young children~~ infants and toddlers who have a ~~disability~~
 31 special needs or who are at risk.

32 (79) "Health and safety standards" means those standards that meet re-
 33 quired state and federal licensure or certification standards which address
 34 the facilities where early intervention childhood services are offered, ex-
 35 cluding the child's home. Such standards may include, but are not limited
 36 to, the dimensions or size of a facility, communicable disease, social envi-
 37 ronment, nutrition, immunization, and fire codes.

38 (810) "Include" means that all items named are not all of the possible
 39 items that are covered whether like or unlike the ones named.

40 (911) "Individualized family service plan (IFSP)" means a written plan
 41 designed to address the strengths and needs of an infant or toddler with
 42 ~~disabilities~~ special needs and the family that meets the requirements of
 43 section 16-109, Idaho Code.

44 (10) "~~Infants and toddlers at risk~~" mean ~~children who are in need of~~
 45 ~~screening and tracking services to monitor their development because they~~
 46 ~~have:~~

- 47 (a) ~~Medical or biological risk factors, which refer to prenatal, peri-~~
 48 ~~natal, and neonatal events which increase the probability of delayed~~
 49 ~~development or result in disability (e.g., low birth weight, prematu-~~
 50 ~~rity, abnormal neurological findings); or~~

1 ~~(b) Environmental risk factors, which refer to high-risk environmental~~
 2 ~~influences that may affect development or result in disability (e.g.,~~
 3 ~~adolescent parent, poverty, psychiatric stress or known history of~~
 4 ~~child abuse or neglect).~~

5 (112) "Infants and toddlers with disabilities special needs" means
 6 children age birth to thirty-six (36) months who need early intervention
 7 services because:

8 (a) They are experiencing developmental delays, as measured by diag-
 9 nostic instruments and procedures (referenced in administrative rules)
 10 in one (1) or more of the following areas:

- 11 (i) ~~p~~Physical development;

- 16 (vi) ~~s~~Sensory skills; or

17 (b) They are at risk of experiencing developmental delay due to estab-
 18 lished risk factors, which refer to diagnosed disorders where the con-
 19 dition is known to ultimately affect development or result in disabil-
 20 ity (~~e.g. for example,~~ the congenital anomalies associated ~~with~~ with Down
 21 syndrome or hydrocephaly).

22 (123) "Lead agency" means the department of health and welfare.

23 (134) "Multidisciplinary team" means a group comprised of the parent (s)
 24 or legal guardian and the professionals described in this chapter, as appro-
 25 priate, who are assembled for the purposes of assessing the developmental
 26 needs of an infant or toddler, developing the IFSP, and providing the infant
 27 or toddler and the family with the early intervention services as detailed in
 28 the IFSP design to meet the individual family needs.

29 (15) "Procedural safeguards" means administrative activities that
 30 public agencies and other early intervention service providers perform to
 31 ensure that parents and guardians of children receiving early intervention
 32 services are fully informed about service actions that are proposed, refused
 33 or carried out in relation to the needs of their child or children.

34 (146) "Program standards" means those standards defined in accordance
 35 with department rules which address the coordination and provision of early
 36 intervention childhood services. Such standards may include, but are not
 37 limited to, service year, length of program, personnel qualifications,
 38 staff/child ratio, caseload, maximum class size, ~~and~~ length of day and other
 39 research-based quality indicators.

40 (157) "Qualified" means that a person has met the highest standards
 41 of state approved or recognized certification, licensing, registration or
 42 other comparable requirements that apply to the area in which the person is
 43 providing early ~~intervention~~ childhood services.

44 (168) "Region" means one (1) of the ~~seven (7)~~ administrative regions ~~of~~
 45 as defined in rule by the lead agency.

46 (179) "Regional early childhood committee" means an ~~interagency co-~~
 47 ~~ordinating~~ early childhood committee established within each of the seven
 48 ~~(7)~~ an administrative regions of the lead agency to facilitate interagency
 49 coordination at the regional level and provide applications for regional

1 committee activities, planning and direction for regional program activi-
2 ties.

3 ~~(1820)~~ "Screening and tracking services" means the identification of
4 infants and toddlers delayed or at risk of delay using standardized proce-
5 dures, and the entry of demographic information into an automated system for
6 periodically monitoring the child's services, ~~or~~ need for services and de-
7 velopmental status.

8 ~~(1921)~~ "Service providers" means those individuals or programs that
9 deliver services to eligible ~~infants and toddlers~~ young children and their
10 families in compliance with the applicable standards of state and local li-
11 censing and operational rules and regulations.

12 (22) "Special needs" means a developmental delay or disability or a
13 condition that has a high probability of resulting in a developmental delay.

14 (23) "Strategic plan" means the comprehensive early childhood plan
15 for the state of Idaho that addresses common goals in critical areas such as
16 health, social and emotional development, early care and learning, parent
17 education, family self-sufficiency and systems development.

18 (24) "Young children" means children age birth to five (5) years.

19 SECTION 5. That Section 16-104, Idaho Code, be, and the same is hereby
20 amended to read as follows:

21 16-104. EARLY INTERVENTION SYSTEM. The early intervention system
22 shall consist of the lead agency, the early childhood coordinating council,

24 uating the early intervention system. The system shall meet the
25 individuals with disabilities education act federal requirements
26 and statewide needs;

27 (x) ~~a~~An individualized family services plan for each eligible
28 child and family who chooses to participate in the program;

29 (xi) ~~p~~Procedural safeguards that meet the requirements in sec-
30 tion 16-110, Idaho Code.

31 (b) To assist the lead agency and all other appropriate agencies to en-
32 sure:

33 (i) ~~a~~Adoption of uniform or compatible administrative rules
34 dealing with early intervention services;

35 (ii) ~~r~~Reasonable transition between and among the participating
36 agencies;

37 (iii) ~~a~~Available funds under the provisions of this chapter are
38 shared by the participating agencies in a manner that enables the
39 optimum provision of necessary services for the child and the fam-
40 ily;

41 (iv) ~~u~~Uniformity of program and health and safety standards; and

42 (v) ~~p~~Program policies dealing with infants and toddlers with
43 ~~disabilities~~ special needs and their families reflect the policy
44 priorities of the council.

45 (c) To participate with the lead agency in the implementation of ~~time~~
46 ~~lines~~ timelines for a statewide, comprehensive, coordinated, intera-
47 gency system of early intervention services;

48 (d) To prepare and submit periodic reports no less than annually to the
49 governor, legislature and the lead agency on the status of early inter-
50 vention ~~programs~~ services for infants and toddlers with ~~disabilities~~

1 special needs and their families with recommendations for timely cor-
 2 rective action as needed;

3 (e) To develop a public awareness program focusing on the importance
 4 of child development and early identification of infants and toddlers
 5 young children with disabilities special needs;

6 (f) To participate with the lead agency and other appropriate agencies
 7 in the development, maintenance, evaluation, and revision of program,
 8 health and safety standards;

9 (g) To conduct public hearings, to provide opportunities for public
 10 comment and to conduct community needs assessments, for the purpose of
 11 developing and maintaining the state plan and applications for funding;

12 (h) To develop the strategic plan and to provide oversight for the im-
 13 plementation and sustainability of the strategic plan;

14 (i) To compile and align data from the early intervention and early
 15 childhood comprehensive systems in order to identify indicators of
 16 well-being for young children and their families;

17 (j) To promote and foster partnerships and initiatives that support a
 18 comprehensive system of early childhood development;

19 (k) To develop, and to update at least every five (5) years, a compre-
 20 hensive needs assessment of early childhood programs and resources;

21 (l) To collaborate with the early childhood comprehensive system in
 22 order to promote the health and well-being of young children and their
 23 families;

24 (m) To identify and compile information relating to the current best
 25 practices in order to inform and guide the stakeholders; and

26 (n) To accept contributions and donations from private persons and pri-
 27 vate entities for deposit in the early childhood comprehensive system
 28 fund established in section 16-111A, Idaho Code.

29 (2) No member of the council shall cast a vote on any matter which would
 30 provide direct financial benefit to that member or otherwise give the ap-
 31 pearance of a conflict of interest.

32 SECTION 9. That Section 16-107, Idaho Code, be, and the same is hereby
 33 amended to read as follows:

34 16-107. RESPONSIBILITIES OF THE DEPARTMENT OF HEALTH AND WELFARE. The
 35 department of health and welfare, as the lead agency for administration of
 36 the provisions of this chapter, shall have primary responsibility for:

 18 hereby amended by the addition thereto of a NEW SECTION, to be known and des-
 19 ignated as Section 16-111A, Idaho Code, and to read as follows:

20 16-111A. EARLY CHILDHOOD COMPREHENSIVE SYSTEM FUND. There is hereby
 21 created in the state treasury a fund to be known as the early childhood com-
 22 prehensive system fund. The early childhood comprehensive system fund shall
 23 consist of private contributions and donations and moneys made available
 24 from any public agency, governmental source or any other source. All moneys
 25 in such fund shall be expended by the council for the purpose of carrying out
 26 its duties and responsibilities pursuant to the provisions of this chapter
 27 and to support the statewide effort in the development and sustainability of
 28 the council and of early childhood services and programs. Interest earned
 29 from the investment of moneys in the early childhood comprehensive system
 30 fund shall be retained in such fund. In the event federal law no longer
 31 requires the existence of an interagency coordinating council and early
 32 childhood advisory council, the moneys in the early childhood comprehensive
 33 system fund shall be transferred to the early intervention services fund and
 34 the early childhood comprehensive system fund shall be dissolved.

35 SECTION 15. That Section 16-112, Idaho Code, be, and the same is hereby
 36 amended to read as follows:

37 16-112. PROHIBITED USE OF EARLY INTERVENTION SERVICES FUNDS. The use
 38 of moneys from the early intervention services funds provided under this
 39 chapter to supplant funds from other sources is not permitted. ~~All local and~~
 40 ~~state programs for infants and toddlers with disabilities shall maintain the~~
 41 ~~funding which supported infant and toddler programs at levels as of July 1,~~
 42 ~~1990.~~

43 SECTION 16. That Section 16-113, Idaho Code, be, and the same is hereby
 44 amended to read as follows:

1 16-113. MAINTENANCE OF EXISTING PROGRAM LEVELS. Nothing in this chap-
2 ter shall be construed to permit:
