

STATEMENT OF PURPOSE

RS21253

Section 33-1004I, Idaho Code, outlines the provisions for pay for performance, hard to fill positions, and leadership awards. This legislation amends a portion of the leadership section by eliminating the requirement that an instructor/employee must have completed three (3) years of experience before they are eligible for leadership awards. This change will allow entering professionals with expertise, such as technical instructors, to receive immediate consideration for deserving leadership awards.
