 21 feeding value of the product for the purpose for which designed.

22 (47) The director is empowered to refuse registration of any applica-
 23 tion not in compliance with all provisions of this chapter and to cancel any
 24 registration when it is subsequently found to be in violation of any provi-

 26 registrant has used fraudulent or deceptive practices in attempted evasion
 27 of the provisions of this chapter or rules thereunder.
