RS 21266 RE: Revise provisions to certain adjustments to a district's salary-based apportionment

Senator Cameron introduced **RS 21266** which would remove future (FY 2013 and beyond) reductions in salary-based apportionment for school district teachers, administrators, and classified support staff that are required in statute. Reductions were included in S1184 of the 2011 Session and are intended to generate General Fund savings to pay for much of the *Students Come First* education reforms.
