IDAPA 21.01.02 - Rules Governing Emergency Relief for Veterans (Docket No. 21-0102-1301)

IDAPA 21.01.08 - Rules Governing Veterans Recognition Fund Grant Program (New Chapter) (Docket No. 21-0108-1301)

1. IDAPA 21.01.02 - Rules Governing Emergency Relief for Veterans

The Division of Veterans Services submits notice of proposed rule at IDAPA 21.01.02 - Rules Governing Emergency Relief for Veterans. According to the division, the purpose of the rulemaking is to allow Native American Tribal Veterans Representatives to obtain funding from the Division of Veterans Services for reimbursement of travel expenses for one regional training conference each year in support of the statewide service officer program, in the same manner that other county and service organization veterans service officers are afforded. The division states that the rule would include Native American Tribes as an eligible organization which may send veterans service officers and representatives to training sessions administered by the division and apply for reimbursement of travel expenses for one participant to attend one training conference per year. Reimbursement would not be provided if travel expenses were reimbursed by other sources.

The division states that the anticipated cost to the general fund is estimated at \$2,500 annually. The division goes on to note that the change will have a positive impact to veterans by affording Tribal Veterans Representatives with increased opportunities for training about how to assist veterans in properly completing their claims and applications for federal veterans' benefits.

The division states that negotiated rulemaking was not conducted due to the simple nature of the rulemaking. The rule appears to be authorized pursuant to Sections 65-202 and 65-204, Idaho Code.

2. IDAPA 21.01.08 - Rules Governing Veterans Recognition Fund Grant Program

The Division of Veterans Services submits notice of proposed rule at IDAPA 21.01.08 - Rules Governing Veterans Recognition Fund Grant Program. This is a new chapter. According to the division, the purpose of

the rulemaking is to provide basic administrative procedures for the award of funds from the Idaho Veterans Recognition Fund established by Chapter 7, Title 65, Idaho Code. The division states that this rule provides procedures for the application, review and award of grant moneys for programs to support veterans.

The division states that no general funds will be allocated to the program. Grant funds will be obtained from investment of moneys appropriated from excess earnings from funds maintained by the division.

The division states that negotiated rulemaking was not conducted due to the simple nature of the rulemaking. The rule appears to be authorized pursuant to Sections 65-202 and 65-204, Idaho Code.

21.01.02 - RULES GOVERNING EMERGENCY RELIEF FOR VETERANS

DOCKET NO. 21-0102-1301

NOTICE OF RULEMAKING - PROPOSED RULE

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Sections 65-202 and 65-204, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than October 16, 2013.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

Idaho veterans who may be associated with a Tribe should be afforded the same opportunity to receive information about and take advantage of earned veterans' benefits administered by the U.S. Department of Veterans Affairs. This is most effectively accomplished by receiving information and guidance from recognized veterans service organizations. Tribal Veterans Representatives are recognized as such and currently do not have the same opportunity that county and service organization Veterans Service Officers are currently afforded to attend training provided by the Division with travel reimbursement. This rule change will allow Native American Tribal Veterans Representatives to obtain funding from the Division of Veterans Services for reimbursement of travel expenses for one (1) regional training conference each year in support of the statewide service officer program, in the same manner that other county and service organization veterans service officers are afforded. This proposed rule would include Native American Tribes as an eligible organization which may send veterans service officers and representatives to training sessions administered by the Division and apply for reimbursement of travel expenses for one (1) participant to attend one (1) training conference per year. Reimbursement would not be provided if travel expenses were reimbursed by other sources.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: None.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year resulting from this rulemaking:

This rule change will result in an anticipated cost of \$2,500 annually in General Funds. It will also have a positive impact to veterans by affording Tribal Veterans Representatives with increased opportunities for training about how to assist veterans in properly completing their claims and applications for federal veterans' benefits. This will increase the likelihood of the success of such veterans' claims, which will increase the amount of money provided to Idaho in federal veterans' benefits.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not conducted because the rule changes are simple in nature.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, the following is a brief synopsis of why the materials cited are being incorporated by reference into this rule: N/A
