SUBJECT: Sexual Offender Management Board

IDAPA 57.01.01 - Rules Governing the Sexual Offender Management Board (Docket No. 57-0101-1201)
- **Chapter Repeal - Temporary and Proposed**

IDAPA 57.01.01 - Rules Governing the Sexual Offender Management Board (Docket No. 57-0101-1202)
-- **Chapter Rewrite - Temporary and Proposed Fee Rule**

The Sexual Offender Management Board submits notice of temporary and proposed rulemaking that repeals IDAPA 57.01.01, and notice of temporary and proposed fee rulemaking that rewrites IDAPA 57.01.01 - Rules Governing the Sexual Offender Management Board. The Board states that the chapter rewrite is prompted by amendments made to Chapter 83, Title 18, Idaho Code, during the 2011 legislative session. According to the Board, the standards and guidelines established will create a higher level of consistency and continuity among Idaho's sexual offender service practitioners, as well as establish and impose statewide standards for sexual offender treatment practices. In addition, the proposed rule sets application, initial certification and renewal certification fees.

The Board states that the Governor has found that temporary adoption of the rule is appropriate in order to implement statutory changes enacted by Idaho's 2011 Legislature, for the protection of the public health, safety or welfare, and to confer a benefit.

There is no negative fiscal impact on state general funds anticipated with this rulemaking. According to the Board, provider certification processing fees are deposited into a dedicated fund.

The Board's proposed fee rule is authorized pursuant to the provisions of Section 18-8314, Idaho Code.

PROPOSED RULE COST/BENEFIT ANALYSIS

Section 67-5223(3), Idaho Code, requires the preparation of an economic impact statement for all proposed rules imposing or increasing fees or charges. This cost/benefit analysis, which must be filed with the proposed rule, must include the reasonably estimated costs to the agency to implement the rule and the reasonably estimated costs to be borne by citizens, or the private sector, or both.

Date: 10/10/13

IDAPA, Chapter and Title Number and Chapter Name:

IDAPA 57, Sexual Offender Management Board, Chapter 57.01.01 Rules of the Sexual Offender Management Board

Fee Rule Status: Proposed Temporary

Rulemaking Docket Number: 57-0101-1202

STATEMENT OF ECONOMIC IMPACT:

There are currently 15 SOMB-certified psychosexual evaluators. The board received \$825 in certification processing fees in Fiscal Year 2013, including four new certifications at a fee of \$75 each with the remaining funds from \$50 annual certification fees. With this rulemaking, certification renewals will be conducted every 2 years, with anticipated biennial receipts of \$750 from this group of providers if the number of evaluators is maintained.

The number of treatment providers and polygraph examiners who will seek certification is uncertain, as these are new certification categories. Based upon an estimate of 20 treatment providers and 12 polygraph examiners, initial certification fee receipts of \$1650 and \$1100 in biennial renewal receipts are estimated from these two groups of providers.

Additionally, these new procedures will establish entry level "provisional" evaluator and treatment provider classifications with associated initial certification fees being set at \$50 and annual certification fees being \$30. The number of individuals seeking "provisional" level certification is unknown.

Certification fees are deposited into a dedicated fund to offset the costs of administering the certification process. Statutory authorization for collection of certification processing fees is set at not to exceed \$150 for each initial and each renewal certification.

No additional costs to the SOMB are anticipated at this time to carry out the proposed Quality Assurance processes as funding is currently factored into the SOMB appropriation.

The proposed changes to the psychosexual evaluation report standards require specific testing and assessments to be conducted, which could potentially increase the costs evaluators charge to perform these evaluations, which in turn could pose an increased fiscal impact to counties who are funding court-ordered psychosexual evaluations for indigent offenders. The courts report costs to the counties in Fiscal Year 2012 for psychosexual

evaluations as totaling \$305,687, with an average range per evaluation being \$600 to \$1700. Several evaluators currently provide the quality psychosexual evaluations that are proposed in the SOMB's new standards, within the established cost range. Further, the counties are free to negotiate price as they would any service for which they contract. Many courts have been receiving psychosexual evaluations that are not consistent with best practices. There is a broad range of quality in psychosexual evaluations across the state. It is crucial for public safety that judges receive standardized, high quality psychosexual evaluations with quality risk determinations for their sentencing decisions. Idaho's certified psychosexual evaluators will be monitored by the SOMB through quality assurance measures to ensure that their post-conviction psychosexual evaluations meet the standards expected by the Board.

57.01.01 - RULES GOVERNING THE SEXUAL OFFENDER MANAGEMENT BOARD

DOCKET NO. 57-0101-1202 (CHAPTER REWRITE)

NOTICE OF RULEMAKING - TEMPORARY AND PROPOSED RULE

EFFECTIVE DATE: The effective date of the temporary rule is November 1, 2013.

AUTHORITY: In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted a temporary rule, and proposed rulemaking procedures have been initiated. The action is authorized pursuant to Section 18-8314, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than October 16, 2013.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of the agency's supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This proposed rulemaking will implement and effectuate procedures that were mandated of the Sexual Offender Management Board during Idaho's 2011 legislative session, in SB1154aa.

Existing standards and procedures for psychosexual evaluations and certification of psychosexual evaluators are modified in this re-write of IDAPA 57.01.01. New statewide standards and procedures will be established for sexual offender treatment programs, sexual offender treatment providers and post-conviction sexual offender polygraph examiners that are consistent with national best practices. Additionally certification of sexual offender treatment providers and post-conviction sexual offender polygraph examiners will be implemented. This rulemaking will also establish a quality assurance process to ensure adherence to the standards and procedures, and a hearing process for disciplinary action against a certificate holder.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section(s) 67-5226(1)(a) and (c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

To implement amendments to Section 18-8314, Idaho Code, as intended and enacted by Idaho's 2011 Legislature, temporary adoption of this rulemaking is appropriate for:

- Protection of the public health, safety or welfare; and
- Conferring a benefit.

The standards and guidelines established by the Sexual Offender Management Board will create a higher level of consistency and continuity among Idaho's sexual offender service practitioners, as well as establish and impose statewide standards for sexual offender treatment practices.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased:

Section 18-8314, Idaho Code, provides authority for the agency to collect fees for provider certification processing.

With this rulemaking, three (3) levels of provider certification will be established for psychosexual evaluators and sexual offender treatment providers, and one (1) level of certification will be established for post-conviction sexual offender polygraph examiners. The proposed application processing fee structure will be set as follows:

Seventy-five dollars (\$75) for initial certification applications and fifty dollars (\$50) for biennial certification renewal applications for: senior/approved level psychosexual evaluators, associate/supervised level psychosexual evaluators, senior/approved level sexual offender treatment providers, associate/supervised level sexual offender treatment providers, and post-conviction sexual offender polygraph examiners.

Fifty dollars (\$50) for initial certification applications and thirty dollars (\$30) for annual certification renewal applications for entry-level provisional/supervised psychosexual evaluators and provisional/supervised sexual offender treatment providers.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year:

No negative fiscal impact on state general funds is anticipated with this rulemaking. Provider certification processing fees collected by the agency are deposited into a dedicated fund. No additional costs to the agency are anticipated to carry out the quality assurance processes as funding is currently factored into the agency's budget.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(1), Idaho Code, negotiated rulemaking was conducted. The Notice of Intent to Promulgate Rules - Negotiated Rulemaking was published in the October 3, 2012 Idaho Administrative Bulletin, [Volume 12-10, page 991](#).

The agency conducted open meetings with impacted psychosexual evaluators, sexual offender treatment providers, and polygraph examiners in addition to making direct contact with psychosexual evaluators, sexual offender treatment providers, and polygraph examiners to solicit feedback during drafting of the standards for certification qualifications and sexual offender management best practices.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, the following is a brief synopsis of why the materials cited are being incorporated by reference into this rule:
