# COMMUNITY FOREST TRUST

The Solution is Utilizing Natural Resources

# COMMUNITY FOREST TRUST

Revenue Sharing

Payment in Lieu of Taxes

Secure Rural Schools & Community Self Determination Act

# COMMUNITY FOREST TRUST

## COMMUNITY FOREST TRUST PILOT PROGRAM

Local Control

200,000 acres of Federal Timberlands in Idaho

Managed by Idaho Department of Lands

Proceeds to offset 10% of Timber Receipts  
currently funded through SRS Payments

# COMMUNITY FOREST TRUST

194,000 acres of Southern Idaho Timberlands, managed by Boise Cascade, yielded an annual sustainable harvest of over 30 Million board feet

3.7 Million to 4.5 Million Dollars annually

# COMMUNITY FOREST TRUST

Pilot Program encompasses  
1% of the 20 Million acres of  
Federal Timberlands in Idaho

10%, or less than 2 Million  
acres of Federal Timberlands in  
Idaho, will more than offset  
current SRS Payments

# COMMUNITY FOREST TRUST

## CONSEQUENCES OF MANAGED FORESTS

Healthy Trees  
Clean Water  
Air Quality  
Wildlife  
Fish Habitat  
Recreation  
Homes  
Jobs
