

STATEMENT OF PURPOSE

RS21652

This bill makes a technical change to Title 23 Alcoholic Beverages relating to reporting of beer shipments by out-of-state brewers and manufacturers. Because the Tax Commission is not requiring out-of-state brewers and manufactureres of beer to obtain a permit, this change would modify Idaho Code, Section 23-1008(3)(b) to give the Commission the discretion to require reporting of beer shipments by these entities.

FISCAL NOTE

This bill has no fiscal impact.
