

STATEMENT OF PURPOSE

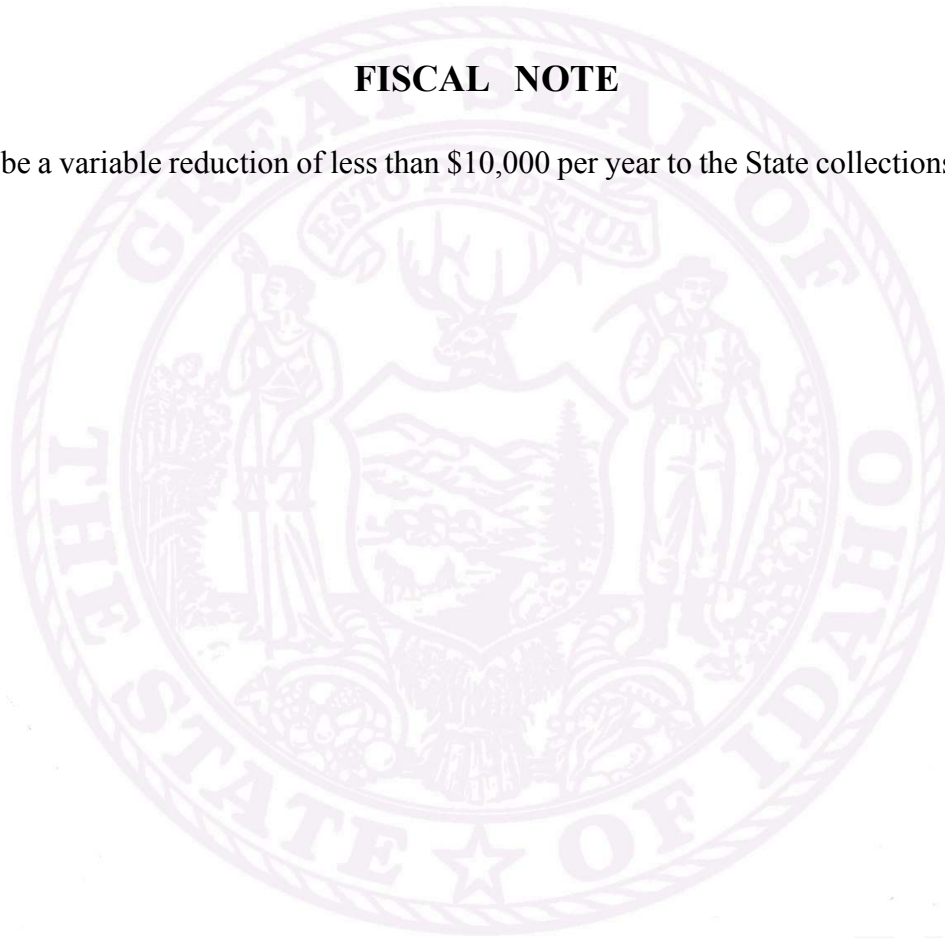

RS21823

This legislation would include pregnancy resource clinics as exempt from Idaho State Sales Tax by including them in the definition of "Health-related entities" under Title 63-3622O of the Idaho Code.

This legislation would amend current code terminology exempting any Pregnancy Resource Clinic that operates under the license and direction of a licensed physician, is recognized by the IRS as a 501(c)3 and does not perform the termination of a pregnancy at its clinic, from paying Idaho State Sales Tax.

FISCAL NOTE

There will be a variable reduction of less than \$10,000 per year to the State collections of sales tax.
