8 Be It Enacted by the Legislature of the State of Idaho:

9 SECTION 1. That Section 67-5745, Idaho Code, be, and the same is hereby  
10 amended to read as follows:

11 67-5745. DECLARATION OF PURPOSE. The legislature finds that advances  
12 in information technology and telecommunications present significant  
13 opportunities for the state of Idaho to improve the efficiency and produc-  
14 tivity of state and local government, ~~to promote, develop and diversify its~~  
15 ~~economy,~~ to encourage public access to government information and to enhance  
16 lifelong educational and training opportunities. The implications of these  
17 information technology and telecommunications advances require a central-  
18 ized and coordinated strategic planning process involving the expertise and  
19 participation of experienced persons from both state and local government  
20 and the private sector. The establishment of the information Idaho tech-  
21 nology resource management council authority will facilitate a centralized  
22 approach to the acquisition and evaluation of necessary technical informa-  
23 tion and the informed development of a statewide strategic plan to ensure  
24 a coordinated approach to the design, procurement and implementation of  
25 information technology and telecommunications systems for both state gov-  
26 ernment and the public.
