

STATEMENT OF PURPOSE

RS21639

This bill will update the Idaho Board of Architectural Examiners law to conform to recent changes made to the nationally administered internship and examination. The Bill adds two additional grounds for the discipline of a licensee for violation of a Board order or if the licensee is disciplined in another state. The bill eliminates registration of firm names. The bill clarifies the use of electronic seals/technology. Finally, the Board wants to eliminate the limitations on foreign corporation architectural practice in Idaho because of the difficulty in its administration and because architect licenses are issued to individuals not entities.

FISCAL NOTE

There is no impact on the General Fund or the Bureau's dedicated fund.
