

STATEMENT OF PURPOSE

RS21818

The purpose of this legislation is to provide a State Income Tax Credit for cash contributions made to Assistance League of Boise, a 501 (c) (3) recognized charitable organization. Assistance League provides charitable services in the Treasure Valley for its patrons and if it did not exist these services would have to be provided by local schools, the Department of Health and Welfare or the children or persons would have to do without. The State Income Tax Credit requested is similar to those granted to other charitable and philanthropic organizations by the Legislature over the years.

FISCAL NOTE

The fiscal impact is not to exceed \$100,000.00.
