

## STATEMENT OF PURPOSE

### RS21931

The purpose of this legislation is to instruct the Idaho Department of Fish and Game to implement a bonus point system for controlled hunts. The current statute, IC 36-104, in essence states the Idaho Department of Fish and Game "may" establish the rules and procedures necessary to create a bonus point system. This legislation will simply change the word "may" to "shall."

### FISCAL NOTE

There is no anticipated impact to the general fund. The current statute already provides, by promulgation of rules, for a fee.
