

STATEMENT OF PURPOSE

RS21903C1

Since 1968 jury pay has been \$5 for one half day and \$10 for each full day of service. This legislation permits a county to increase pay to \$25 for one half day and \$50 for each full day. Mileage reimbursement remains the same.

FISCAL NOTE

There is no fiscal impact for the general fund. If a county decides to raise jury pay there will be an impact upon county finances.
