

## STATEMENT OF PURPOSE

### RS21935

This bill makes amendments to Idaho Code 40-2319 such that it now specifically identifies that water on a public right-of-way is a nuisance. The proposed amendments also create a process under civil penalties which may be assessed, the nuisance may be abated and damages to the public right-of-way can be repaired at the nuisance perpetrator's expense. This amendment also provides for an abbreviated process by which an encroachment related to irrigation water may be dealt with.

## FISCAL NOTE

This bill has no fiscal impact to state government.
