35 SECTION 3. FTP AUTHORIZATION. In accordance with Section 67-3519,
36 Idaho Code, the Department of Labor is authorized no more than forty-seven
37 and four-hundredths (47.04) full-time equivalent positions at any point

1 during the period July 1, 2013, through June 30, 2014, unless specifically
2 authorized by the Governor. The Joint Finance-Appropriations Committee
3 will be notified promptly of any increased positions so authorized.

4 SECTION 4. EMPLOYEE COMPENSATION. The Legislature finds that investing
5 in state employee compensation should remain a high priority even in tough
6 economic times, and therefore strongly encourages agency directors, insti-
7 tution executives and the Division of Financial Management to approve the
8 use of salary savings to provide either one-time or ongoing merit increases
9 for deserving employees, and also target employees who are below policy com-
10 pensation. Such salary savings could result from turnover and attrition, or
11 be the result of innovation and reorganization efforts that create savings.
12 Such savings should be reinvested in employees. Agencies are cautioned to
13 use one-time funding for one-time payments and ongoing funding for permanent
14 pay increases.

15 SECTION 5. An emergency existing therefor, which emergency is hereby
16 declared to exist, Section 1 of this act shall be in full force and effect on
17 and after passage and approval.
