

STATEMENT OF PURPOSE

RS22143

This Resolution authorizes legislative council to establish an interim committee to study all aspects of the process of the state acquiring title to and control of public lands currently controlled by the Federal Government.

FISCAL NOTE

The cost for the two legislative interims this committee is authorized to meet would not be in excess of \$20,000; \$10,000 for this year and \$10,000 for next year, dependent upon how far committee members would have to travel.
