

## STATEMENT OF PURPOSE

### RS22289

This legislation would declare November to be Pancreatic Cancer Awareness Month. Pancreatic Cancer support groups have in the past gone to the Governor for a proclamation of this nature. The Pancreatic Cancer Action Network desires to have the proclamation perpetual, to ensure that the good health and well-being of the residents of Idaho are enhanced as a direct result of increased awareness about Pancreatic Cancer and research into early detection, causes, and effective treatments.

### FISCAL NOTE

None.
