

STATEMENT OF PURPOSE

RS22281

This RS: (1) defined "electronic gaming", (2) amends Sections 67-429A and 67-429C to require legislative approval of any proposed new Indian compact or amendment to any existing compact, and (3) creates a new Section 67-429D authorizing and giving standing to any member of the constitutional defense council to pursue a declaratory judgment action to determine the constitutionality of Sections 67-429B and 67-429C.

FISCAL NOTE

If the constitutional defense council pursues litigation, there would be the cost of litigation, as well as the cost of litigation related to the other provisions of the RS.
