14 SECTION 1. That Section 39-3626, Idaho Code, be, and the same is hereby
15 amended to read as follows:

16 39-3626. AUTHORIZATION OF GRANTS AND LOANS -- DESIGNATION OF ADMINIS-
17 TERING AGENCY -- RESERVATION OF FUNDS FOR OPERATIONS -- CRITERIA -- PRIORITY
18 PROJECTS -- ELIGIBLE PROJECTS. (1) The state of Idaho is hereby authorized to
19 make grants and loans at or below market interest rates, as funds are avail-
20 able, to any municipality to assist said municipality in the construction of
21 sewage treatment works, to community public water systems and nonprofit non-
22 community public water systems. The state of Idaho is hereby also authorized
23 to make loans at or below market interest rates for the implementation of a
24 management program established under section 319 of the federal water pollu-
25 tion control act, as amended.

26 (2) The department of environmental quality may use a portion of the in-
27 terest revenues from wastewater and drinking water loans, in an amount not to
28 exceed one percent (1%) of loans outstanding, subject to annual appropri-
29 ation, for operation of the wastewater and drinking water loan programs.

30 (3) The Idaho board of environmental quality through the department of
31 environmental quality shall be the agency for administration of funds autho-
32 rized for grants or loans under this chapter, and may reserve up to four per-
33 cent (4%) of the moneys accruing annually to the water pollution control and
34 wastewater facility loan funds to be appropriated annually for the purpose
35 of operating the water quality programs established pursuant to this chap-
36 ter. The board may also reserve up to six percent (6%) of the moneys accruing
37 annually to the water pollution control fund to be appropriated annually for
38 the purpose of conducting water quality studies including monitoring.

39 (4) In allocating state construction grants and loans under this chap-
40 ter, the Idaho board of environmental quality shall give consideration to
41 water pollution control needs, protection of public health and provision of
42 safe drinking water.

1 (5) Pursuant to subsection (4) of this section, the Idaho board of envi-
 2 ronmental quality shall establish an integrated list of priority municipal
 3 sewage facility and nonpoint source pollution control projects and a list of
 4 priority community and nonprofit noncommunity public water systems.

5 (6) The Idaho board of environmental quality through the department of
 6 environmental quality may transfer funds between the wastewater facility
 7 loan account and the drinking water loan account. Such transfers shall be
 8 listed in the annual intended use plan and approved by the Idaho board of
 9 environmental quality.
