1 the case of an emergency. If a client is transferred in an emer-
 2 gency, the licensed midwife shall notify the hospital when the
 3 transfer is initiated and accompany the client to the hospital if
 4 feasible, or communicate by telephone with the hospital if unable
 5 to be present personally, and shall provide the client's medical
 6 record. The record shall include the client's name, address, list
 7 of diagnosed medical conditions, list of prescription or over the
 8 counter medications regularly taken, history of previous aller-
 9 gic reactions to medications, if feasible the client's current
 10 medical condition and description of the care provided by the mid-
 11 wife and next of kin contact information. A midwife who deems it
 12 necessary to transfer or terminate care pursuant to this section
 13 and any rules promulgated under this section or for any other rea-
 14 son shall transfer or terminate care and shall not be regarded as
 15 having abandoned care or wrongfully terminated services. Before
 16 nonemergent discontinuing of services, the midwife shall notify
 17 the client in writing, provide the client with names of licensed
 18 physicians and contact information for the nearest hospital
 19 emergency room and offer to provide copies of medical records re-
 20 gardless of whether copying costs have been paid by the client.

21 (f) Establish and operate a system of peer review for licensed midwives
 22 that shall include, but not be limited to, the appropriateness, qual-
 23 ity, utilization and the ethical performance of midwifery care.

24 (2) The rules adopted by the board may not:

25 (a) Require a licensed midwife to have a nursing degree or diploma;

26 (b) Except as a condition imposed by disciplinary proceedings by the
 27 board, require a licensed midwife to practice midwifery under the su-
 28 pervision of another health care provider;

29 (c) Except as a condition imposed in disciplinary proceedings by the
 30 board, require a licensed midwife to enter into an agreement, written or
 31 otherwise, with another health care provider;

32 (d) Limit the location where a licensed midwife may practice midwifery;

33 (e) Allow a licensed midwife to use vacuum extraction or forceps as an
 34 aid in the delivery of a newborn;

35 (f) Grant a licensed midwife prescriptive privilege;

36 (g) Allow a licensed midwife to perform abortions.

37 SECTION 3. That Section 37, Chapter 79, Laws of 2010, be, and the same is
 38 hereby amended to read as follows:

39 SECTION 37. The provisions of Sections 20 and 21 of this act shall be
 40 null, void and of no force and effect on and after July 1, 2014~~24~~.
