

STATEMENT OF PURPOSE

RS22432

This amendment to the Idaho Code establishes a special license plate that will support the 4-H Program in the State of Idaho. This program will provide a special plate option for people who wish to proudly note their association with 4-H Clubs in Idaho and help the historical youth education club thrive. The plate will feature the 4-H clover logo. The monies from this plate will be managed by the University of Idaho Foundation, Friends of 4-H Division. They shall be used across the state by the division for 4-H programs, educational events, training materials for youth and leaders including some STEM based programming being integrated into curriculum offerings to better prepare Idaho youth for future careers. 4-H will receive \$22.00 for the initial issuance of each plate, and \$12.00 for each succeeding annual registration. Monies will be used to support this youth program through-out the State of Idaho.
