

## **STATEMENT OF PURPOSE**

### **RS22400C1**

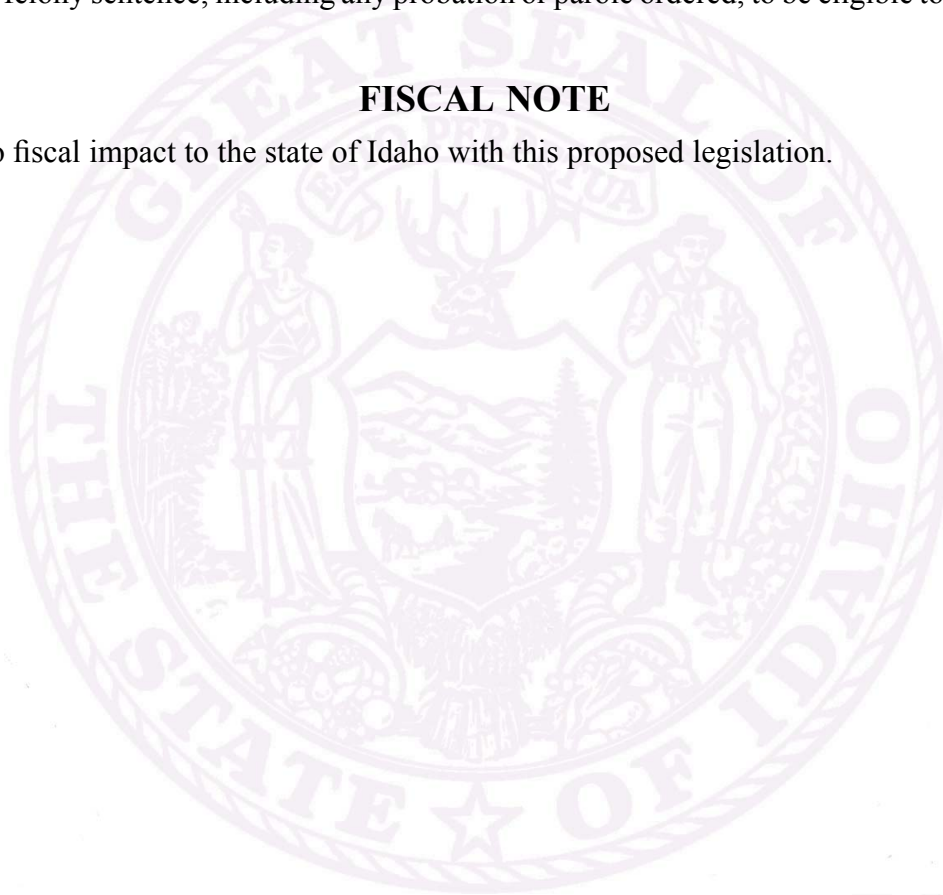

This proposed legislation amends and clarifies section 23-910(1), Idaho Code, relating to those persons eligible to hold a license for the retail sale of liquor by the drink.

The statute is clear that a person is not qualified to hold a liquor license until five (5) years after a felony conviction. However, as the statute currently reads, if a person has been convicted of a felony and five years has lapsed, a person is eligible to hold a license even if they are still on felony probation or parole.

The amendment would clarify that a person must wait for five (5) years to lapse after they finish their entire felony sentence, including any probation or parole ordered, to be eligible to hold a liquor license.

### **FISCAL NOTE**

There is no fiscal impact to the state of Idaho with this proposed legislation.
