11 amended to read as follows:

12 56-1403. HOSPITAL ASSESSMENT FUND ESTABLISHED. (1) There is hereby  
13 created in the office of the state treasurer a dedicated fund to be known as  
14 the hospital assessment fund, hereinafter "fund," to be administered by the  
15 department of health and welfare, hereinafter "department." The state trea-  
16 surer shall invest idle moneys in the fund and any interest received on those  
17 investments shall be returned to the fund.

18 (2) Moneys in the fund shall consist of:

19 (a) All moneys collected or received by the department from private  
20 hospital assessments required by this chapter;

21 (b) All federal matching funds received by the department as a result  
22 of expenditures made by the department that are attributable to moneys  
23 deposited in the fund;

24 (c) Any interest or penalties levied in conjunction with the adminis-  
25 tration of this chapter; and

26 (d) Any appropriations, federal funds, donations, gifts or moneys from  
27 any other sources.

28 (3) The fund is created for the purpose of receiving moneys in accor-  
29 dance with this section and section 56-1404, Idaho Code. The fund shall not  
30 be used to replace any moneys appropriated to the Idaho medical assistance  
31 program by the legislature. Moneys in the fund are deemed to be perpetually  
32 appropriated and shall be distributed by the department ~~subject to appropri-~~  
33 ation for the following purposes only:

34 (a) Payments to private hospitals as required under Idaho's medical  
35 assistance program as set forth in sections 56-209b through 56-209d,  
36 Idaho Code;

37 (b) Reimbursement of moneys collected by the department from private  
38 hospitals through error or mistake in performing the activities autho-

40 (c) Payments of administrative expenses incurred by the department or  
41 its agent in performing the activities authorized by this chapter;

1 (d) Payments made to the federal government to repay excess payments  
 2 made to private hospitals from the fund if the assessment plan is deemed  
 3 out of compliance and after the state has appealed the findings. Hos-  
 4 pitals shall refund the payments in question to the assessment fund.  
 5 The state in turn shall return funds to both the federal government and  
 6 hospital providers in the same proportion as the original financing.  
 7 Individual hospitals shall be reimbursed based on the proportion of  
 8 the individual hospital's assessment to the total assessment paid by  
 9 all private hospitals. If a hospital is unable to refund payments, the  
 10 state shall develop a payment plan and deduct moneys from future medic-  
 11 aid payments;

12 (e) Transfers to any other fund in the state treasury, provided such  
 13 transfers shall not exceed the amount transferred previously from that  
 14 other fund into the hospital assessment fund; and

 16 Code.

17 SECTION 2. That Section 56-1404, Idaho Code, be, and the same is hereby  
 18 amended to read as follows:

19 56-1404. ASSESSMENTS. (1) All private hospitals, except those ex-  
 20 empted under section 56-1408, Idaho Code, shall make payments to the fund in  
 21 accordance with this chapter. Subject to section 56-1410, Idaho Code, an  
 22 annual assessment on both inpatient and outpatient services is determined  
 23 for each qualifying hospital for each state fiscal years ~~2009, 2010 and 2011,~~  
 24 in an amount calculated by multiplying the rate, as set forth in subsections  
 25 (2) (b) and (3) (b) of this section, by the assessment base, as set forth in  
 26 subsection (5) of this section.

27 (2) (a) The department shall calculate the private hospital upper pay-  
 28 ment limit gap for both inpatient and outpatient services. The upper  
 29 payment limit gap is the difference between the maximum allowable pay-  
 30 ments eligible for federal match, less medicaid payments not financed  
 31 using hospital assessment funds. The upper payment limit gap shall be  
 32 calculated separately for hospital inpatient and outpatient services.  
 33 Medicaid disproportionate share payments shall be excluded from the  
 34 calculation.

35 (b) The department shall calculate the upper payment limit assessment  
 36 rate for each state fiscal years ~~2009, 2010 and 2011~~ to be the percent-  
 37 age that, when multiplied by the assessment base as defined in subsec-  
 38 tion (5) of this section, equals the upper payment limit gap determined  
 39 in paragraph (a) of this subsection.

40 (3) (a) The department shall calculate the disproportionate share al-  
 41 lotment amount to be paid to private in-state hospitals.

42 (b) The department shall calculate the disproportionate share assess-  
 43 ment rate for private in-state hospitals to be the percentage that, when  
 44 multiplied by the assessment base as defined in subsection (5) of this  
 45 section, equals the amount of state funding necessary to pay the private  
 46 in-state hospital disproportionate share allotment determined in para-  
 47 graph (a) of this subsection.

48 (4) For private in-state hospitals, the assessments calculated pur-  
 49 suant to subsections (2) and (3) of this section shall not be greater than two

1 and one-half percent (2.5%) of the assessment base as defined in subsection  
2 (5) of this section.

3 (5) The assessment base shall be the hospital's net patient revenue  
4 for the applicable period. "Net patient revenue" for state fiscal year 2009  
5 shall be determined using the most recent data available from each hospi-  
6 tal's fiscal year 2004 medicare cost report on file with the department on  
7 June 30, 2008, without regard to any subsequent adjustments or changes to  
8 such data. Net patient revenue for each state fiscal year 2010 thereafter  
9 shall be determined in the same manner using the most recent data available a  
10 rolling yearly schedule for each hospital's fiscal year 2005 medicare cost  
11 report on file with the department on June 30, 2009, of each subsequent year  
12 without regard to any subsequent adjustments or changes to such data. Net  
13 patient revenue for state fiscal year 2011 shall be determined using the most  
14 recent data available from each hospital's fiscal year 2006 medicare cost  
15 report on file with the department on June 30, 2010, without regard to any  
16 subsequent adjustments or changes to such data.

17 SECTION 3. That Section 56-1406, Idaho Code, be, and the same is hereby  
18 amended to read as follows:

19 56-1406. INPATIENT AND OUTPATIENT ADJUSTMENT PAYMENTS. All private  
20 hospitals, except those exempted under section 56-1408, Idaho Code, shall be  
21 eligible for inpatient and outpatient adjustments as follows:

22 (1) For state fiscal year 2009, the inpatient upper payment limit gap  
23 for private hospitals shall be divided by medicaid inpatient days for the  
24 same hospitals from calendar year 2007 to establish an average per diem ad-  
25 justment rate. Each private hospital shall receive an annual payment that is  
26 equal to the average per diem adjustment rate multiplied by the hospital's  
27 calendar year 2007 medicaid inpatient days. For purposes of this section,  
28 "hospital medicaid inpatient days" are days of inpatient hospitalization  
29 paid for by the Idaho medical assistance program for the applicable calendar  
30 year. ~~For Each state fiscal year 2010, calendar year 2008 inpatient hospi-~~  
31 ~~tal medicaid days shall be utilized thereafter shall be determined in the~~  
32 ~~same manner using a rolling yearly schedule to determine the hospital inpa-~~  
33 ~~tient adjustment payment. For state fiscal year 2011, calendar year 2009~~  
34 ~~hospital medicaid inpatient days shall be utilized to determine the hospi-~~  
35 ~~tal inpatient adjustment payment.~~ In the event that either the inpatient  
36 upper payment limit gap for private hospitals or the available hospital  
37 assessment funding is lower than anticipated, the department shall apply  
38 an across-the-board factor such that the inpatient payment adjustments are  
39 maximized, financed entirely from hospital assessment funding, and do not  
40 exceed the Idaho inpatient upper payment limit for private hospitals. Pay-  
41 ments shall be made no later than thirty (30) days after the receipt of the  
42 last deposit of the hospital assessment required in section 56-1404, Idaho  
43 Code.

44 (2) For state fiscal year 2009, the outpatient upper payment limit  
45 gap for private hospitals shall be divided by medicaid outpatient hospital  
46 reimbursement for the same hospitals from calendar year 2007 to establish  
47 an average percentage adjustment rate. Each hospital, except those exempt  
48 under section 56-1408, Idaho Code, shall receive an annual payment that is  
49 equal to the average percentage adjustment rate multiplied by the hospi-

1 tal's calendar year 2007 hospital medicaid outpatient reimbursement. For  
2 purposes of this section, "hospital outpatient reimbursement" is reim-  
3 bursement for hospital outpatient services paid for by the Idaho medical  
4 assistance program for the applicable calendar year. ~~For Each~~ state fiscal  
5 year 2010, ~~calendar year 2008 hospital medicaid outpatient reimbursement~~  
6 ~~shall be utilized to determine the outpatient hospital adjustment payment.~~  
7 ~~For state fiscal year 2011, calendar year 2009 hospital medicaid outpatient~~  
8 ~~reimbursement shall be utilized~~ thereafter shall be determined in the same  
9 manner using a rolling yearly schedule to determine the outpatient hospital  
10 adjustment payment. In the event that either the outpatient upper payment  
11 limit gap for private hospitals or the available hospital assessment funding  
12 is lower than anticipated, the department shall apply an across-the-board  
13 factor, such that outpatient adjustment payments are maximized, financed  
14 entirely from hospital assessment funding, and do not exceed the Idaho out-  
15 patient upper payment limit for private hospitals. Payments shall be made  
16 no later than thirty (30) days after the receipt of the last deposit of the  
17 hospital assessments required in section 56-1404, Idaho Code.

18 SECTION 4. An emergency existing therefor, which emergency is hereby  
19 declared to exist, this act shall be in full force and effect on and after its  
20 passage and approval.
