32 54-5101. LEGISLATIVE PURPOSE AND INTENT. It is the intent of the Idaho  
33 legislature to regulate the practice of naturopathic medicine. Nothing in  
34 this chapter will limit the decision in State v. Smith except to the ex-  
35 tent that certain modalities of treatment shall require a license pursuant  
36 to this chapter. To that end it is not the intent of the legislature to reg-  
37 ulate the practice of natural health care services as it is defined in this  
38 chapter, except as expressly provided herein.

39 54-5102. DEFINITIONS. As used in this chapter, the following terms  
40 have the meanings as stated:

5 either accredited or has achieved candidacy status for accreditation by the  
6 council on naturopathic medical education (CNME) or an equivalent federally

25 practice naturopathic medicine under this chapter.
