29 SECTION 2. FTP AUTHORIZATION. In accordance with Section 67-3519,
30 Idaho Code, the Department of Agriculture is authorized no more than one
31 hundred ninety and five-hundredths (190.05) full-time equivalent positions
32 at any point during the period July 1, 2014, through June 30, 2015, unless
33 specifically authorized by the Governor. The Joint Finance-Appropriations
34 Committee will be notified promptly of any increased positions so autho-
35 rized.

1 SECTION 3. EMPLOYEE COMPENSATION. It is the intent of the Legislature,
2 working cooperatively with the Governor's Office, the Division of Human Re-
3 sources, and the Division of Financial Management, to progress toward the
4 goal of funding a competitive salary and benefit package that will attract
5 qualified applicants, retain employees committed to public service excel-
6 lence, motivate employees to maintain high standards of productivity, and
7 reward employees for outstanding performance by:

- 8 1) Adjusting the compensation schedule upwards by 1% to move the salary
9 structure toward market; and
- 10 2) Continuing the job classifications that are currently on payline
11 exception to address specific recruitment or retention issues; and
- 12 3) Funding an ongoing 1% salary increase for state employees, and funding
13 the equivalent of a one-time 1% bonus for state employees, based upon
14 employee merit, with flexibility in distribution as determined by
15 the agency directors.

16 The Legislature also finds that investing in state employee compensa-
17 tion should remain a high priority even in tough economic times, and there-
18 fore strongly encourages agency directors, institution executives and the
19 Division of Financial Management to approve the use of salary savings to pro-
20 vide either one-time or ongoing merit increases for deserving employees and
21 also to target employees who are below policy compensation. Such salary sav-
22 ings could result from turnover and attrition, or be the result of innova-
23 tion and reorganization efforts that create savings. Such savings should be
24 reinvested in employees. Agencies are cautioned to use one-time funding for
25 one-time payments and ongoing funding for permanent pay increases.
