

## STATEMENT OF PURPOSE

### RS22439C1

Chapter 51, Title 33, Idaho Code outlines the options for secondary students to attend postsecondary institutions for either secondary credit, for postsecondary credit, or for dual credit and is the foundational statute that allows for secondary students to take dual credit courses. Proposed changes to this Chapter would eliminate the requirement that each individual school district have a memorandum of understanding with the governing board of each institution from which students take courses from as well as update terms used within the Chapter to better reflect the options students have today.
