14 Be It Enacted by the Legislature of the State of Idaho:

15 SECTION 1. That Section 33-1623, Idaho Code, be, and the same is hereby
16 amended to read as follows:

17 33-1623. STUDENT ADVANCEMENT -- ~~CONCURRENT ENROLLMENT~~ DUAL CREDIT
18 -- EARLY GRADUATION -- MASTERY ADVANCEMENT SCHOLARSHIP -- RESIDUAL SAV-
19 INGS. (1) Any student who successfully completes a public charter school or
20 school district's grades 1-12 curriculum at least one (1) year early shall be
21 eligible for a mastery advancement scholarship, regardless of whether or not
22 the public charter school or school district is participating in the mastery
23 advancement program, if such student can show that the student has met all of
24 the graduation requirements of the public charter school or school district
25 in which the student attends school; and

26 (a) The student has completed the grades 1-12 curriculum in eleven (11)
27 or fewer years and such student has attended schools in the Idaho public
28 school system for the entire grades 1-12 curriculum; or

29 (b) Where the student has attended Idaho public schools for less than
30 the entire grades 1-12 curriculum, such student shall be eligible for
31 a mastery advancement scholarship if such student has attended Idaho
32 public schools for a minimum of four (4) years. For students who have
33 attended Idaho public schools for less than four (4) years and who have
34 completed all graduation requirements, such students may be eligible
35 to receive a mastery advancement scholarship at a reduced rate not to
36 exceed one (1) semester of scholarship for each year of Idaho public
37 school attendance.

38 (2) A student is not required to graduate early and can choose to par-
39 ticipate in ~~concurrent enrollment~~ dual credit or advanced placement classes
40 as is the current practice.

41 (3) (a) If a student requests a mastery advancement scholarship and
42 is eligible pursuant to the provisions of subsection (1) (a) and (1) (b)

1 of this section, the student shall be entitled to a mastery advance-
 2 ment scholarship which may be used for tuition and fees at any publicly
 3 funded institution of higher education in Idaho. The amount of such
 4 scholarship shall equal thirty-five percent (35%) of the statewide av-
 5 erage daily attendance-driven funding per enrolled pupil for each year
 6 of grades 1-12 curriculum the student avoids due to early graduation.
 7 Such school district or public charter school shall receive an amount
 8 equal to each such scholarship if it is participating in the mastery
 9 advancement program.

10 (b) The state department of education shall annually report, no later
 11 than January 15, to the senate and the house of representatives educa-
 12 tion committees, the number of scholarships awarded pursuant to this
 13 section during the previous school year, by school district and public
 14 charter school. Such report shall also include a fiscal note reflecting
 15 the amount of moneys expended for such scholarships.

16 (4) No student shall be eligible for more than three (3) years of a "mas-
 17 tery advancement" scholarship.

18 (5) School districts and public charter schools participating in the
 19 program established in section 33-1620, Idaho Code, are directed to collab-
 20 orate with publicly funded institutions of higher education in this state to
 21 assist students who seek to graduate from high school early, in enrolling
 22 in postsecondary or advanced placement courses held in high school. Such
 23 school districts, public charter schools and publicly funded institutions
 24 of higher education shall report to the state board of education and the sen-
 25 ate and the house of representatives education committees on any difficul-
 26 ties or obstacles they face in providing such assistance to students.

27 SECTION 2. That Section 33-1626, Idaho Code, be, and the same is hereby
 28 amended to read as follows:

29 33-1626. ADVANCED OPPORTUNITIES. (1) Students completing all state
 30 high school graduation requirements at any time prior to the beginning of
 31 their final twelfth grade semester or trimester term, except the senior
 32 project and any other course that the state board of education requires to
 33 be completed during the final year of high school, shall be eligible for the
 34 following:

35 (1a) Dual credit courses, up to eighteen (18) credits per semester term
 36 or twelve (12) credits per trimester term of postsecondary credits.
 37 Average daily attendance shall be counted as normal for such students
 38 for public school funding purposes. The state department of education
 39 shall distribute funds from the moneys appropriated for the educational
 40 support program to defray the per credit cost charged for such dual
 41 credit courses by accredited postsecondary institutions. The amount so
 42 distributed shall not exceed seventy-five dollars (\$75.00) per credit
 43 hour.

44 (2b) ~~End of course, Advanced placement or other~~ college credit-bearing
 45 ~~advanced placement or professional certificate~~ examinations, up to six
 46 (6) examinations per semester or four (4) per trimester. The state de-
 47 partment of education shall distribute funds from the moneys appropri-
 48 ated for the educational support program to defray the per examination

1 cost charged. The amount so distributed shall not exceed ninety dollars
2 (\$90.00) per examination.

3 The state department of education shall reimburse school districts and pub-
4 lic charter schools for such costs, up to the stated limits, within one hun-
5 dred twenty-five (125) days of receiving the necessary data upon which reim-
6 bursements may be paid. If a student fails to earn credit for any course or
7 examination for which the department has paid a reimbursement, the student
8 must pay for and successfully earn credit for one (1) such course or examina-
9 tion before the department may pay any further reimbursements for such stu-
10 dent.

11 (2) Any student in an Idaho public high school or Idaho public char-
12 ter high school who has attained grade 11 and who has not qualified pursuant
13 to subsection (1) of this section shall qualify for a credit of two hundred
14 dollars (\$200) to pay for courses and examinations pursuant to subsection
15 (1) (a) and (b) of this section. These moneys may be used to pay an amount not
16 to exceed seventy-five percent (75%) of the cost of such courses and examina-
17 tions, pursuant to the limitations stated in this subsection. The state de-
18 partment of education shall distribute such funds from the moneys appropri-
19 ated to the educational support program.

20 (3) Any student in an Idaho public high school or Idaho public char-
21 ter high school who has attained grade 12 and who has not qualified pursuant
22 to subsection (1) of this section shall qualify for a credit of four hun-
23 dred dollars (\$400) to pay for courses and examinations described pursuant
24 to subsection (1) (a) and (b) of this section. These moneys may be used to
25 pay an amount not to exceed seventy-five percent (75%) of the cost of such
26 courses and examinations, pursuant to the limitations stated in this subsec-
27 tion. The state department of education shall distribute such funds from the
28 moneys appropriated to the educational support program.

29 (4) The payments made pursuant to this section shall not be used to du-
30 PLICATE payments made by any other governmental or charitable program, ex-
31 cept that any payments made pursuant to this section shall reduce by a like
32 dollar amount any payments that would otherwise be made pursuant to section
33 33-2110A, Idaho Code.

34 (5) The state board of education may promulgate rules to implement the
35 provisions of this section.

36 (6) No later than January 15, the state department of education shall
37 annually report to the senate and the house of representatives education
38 committees the number of scholarships awarded pursuant to subsections (2)
39 and (3) of this section during the previous school year, by school district
40 and public charter school. Such report shall also include a fiscal note re-
41 fecting the amount of moneys expended for such scholarships.

42 SECTION 3. That Section 33-1628, Idaho Code, be, and the same is hereby
43 amended to read as follows:

44 33-1628. "8 IN 6 PROGRAM." (1) A program is hereby established in the
45 state department of education to be known as the "8 in 6 Program."

46 (2) If a parent and student agree, by signing the appropriate form pro-
47 vided by the state department of education, to the conditions provided for in
48 paragraphs (a) and (b) of this subsection, the state department of education
49 will pay for a portion of the cost of summer online courses and online over-

1 load courses as provided for in this section from the moneys appropriated for
2 this purpose.

3 (a) The student and parent agree that the student shall take and suc-
4 cessfully complete dual credit or professional-technical education
5 courses for at least a portion of the student's courses during the
6 eleventh and/or twelfth grade years. Funding for this requirement will
7 not be provided by the "8 in 6 Program."

8 (b) The student and parent agree that the student shall take and suc-
9 cessfully complete at least one (1) summer online or online overload
10 course and a full course load of ~~at least fourteen (14) credits per~~
11 ~~school year.~~

12 (c) The state shall pay the lesser of the actual cost or two hundred
13 twenty-five dollars (\$225) per one (1) credit summer online course or
14 one (1) credit online overload course taken in this program. Provided
15 ~~however, that moneys shall not be paid for Idaho digital learning acad-~~
16 ~~emy (IDLA) enrollments funded pursuant to section 33-1626, Idaho Code.~~

17 (d) The state shall pay for no more than two (2) credits of online
18 overload courses per student per school year. The state shall pay for
19 no more than two (2) credits of summer online courses per student per
20 summer. The state shall pay for no more than a combined total of four
21 (4) credits of summer online or online overload courses per student per
22 year. The state shall pay for no more than a combined total of eight (8)
23 credits of summer online and online overload courses per student during
24 such student's participation in the program.

25 (3) Participation in this program shall be limited to no more than
26 ten percent (10%) of students in each grade 7 through 12. Such limita-
27 tion shall be applied initially on a school district-by-school district,
28 grade-by-grade basis. If any grades do not fully utilize their available
29 participation slots, the school district shall reallocate said participa-
30 tion slots to those grades in which more than ten percent (10%) of the stu-
31 dents have applied for participation in the program. If any school districts
32 do not fully utilize their available participation slots by July 1, the state
33 department of education shall reallocate said participation slots to those
34 districts in which more than ten percent (10%) of the students have applied
35 for participation in the program. Students accepted into the program shall
36 remain in the program from year to year unless they sign a withdrawal form
37 developed by the state department of education. If a participating student
38 transfers from one (1) school district to another, such student shall remain
39 enrolled in the program, the ten percent (10%) participation limitation of
40 the student's new school district notwithstanding. The state department of
41 education shall maintain a list of participants.

42 (a) If the number of students applying for participation in the "8 in
43 6 Program" exceeds the number of participation slots available in the
44 school district, the school district shall establish participation
45 preference criteria. Such criteria shall include students who have
46 successfully completed at least one (1) online course prior to partici-
47 pating in the program, and may include any of the following:

48 (i) Grade point average;

49 (ii) State-mandated summative achievement test results;

50 (iii) Other school district administered student assessments.

1 (b) If a student participating in the program fails to complete with a
2 grade of "C" or better one (1) or more summer online or online overload
3 courses while in the program, the student must pay for and successfully
4 complete a summer online or online overload course with a grade of "C" or
5 better before continuing in the program.

6 (4) Procedures for participating in the "8 in 6 Program" include the
7 following: The school district shall make reasonable efforts to ensure that
8 any student who considers participating in the program considers the chal-
9 lenges and time necessary to succeed in the program. Such efforts by the dis-
10 trict shall be performed prior to a student participating in the program.

11 (5) Eligible courses. To qualify as an eligible course for the pro-
12 gram, the course must be one in which a majority of the instruction is pro-
13 vided electronically, and it must be offered by a provider accredited by the
14 organization that accredits Idaho high schools or an organization whose ac-
15 creditation of providers is recognized by the organization that accredits
16 Idaho high schools. ~~Dual credit, advanced placement and concurrent enroll-
17 ment courses are not eligible under this program.~~ Parents of participating
18 students may enroll their child in any eligible course, with or without the
19 permission of the school district in which the student is enrolled, up to the
20 course enrollment limits provided for in subsection (2) (d) of this section.
21 School district personnel shall assist parents in the process of enrolling
22 students in such courses. Each participating student's transcript at the
23 school district at which the student is enrolled shall include the credits
24 earned and grades received by the student for any online courses taken pur-
25 suant to this section.

26 (6) The state board of education is hereby authorized to promulgate
27 rules to implement the provisions of this section.

28 (7) Definitions:
