

**Cox is the nation's third-largest broadband communications company, serving more than 10,000 customers in the Sun Valley area. This advanced broadband, fiber-optic network has become the conduit through which we deliver a wide range of advanced communications services designed to deliver life's most important connections. We will continue to make the necessary investments to ensure that the residents in our communities have a communications infrastructure second to none.**

Cox is deeply committed to making a difference in the communities we serve and in which we live. Cox serves the Sun Valley area in the following ways:

- Serves five communities in the Sun Valley area with entertainment and telecommunications services
- Employs 21 full-time local residents
- Pays nearly \$2 million in Idaho payroll taxes and employee wages annually
- Pays more than \$260,000 in municipal franchise fees annually in Idaho
- Pays nearly \$1 million to Sun Valley area contractors and vendors annually
- Over the past five years, invested millions of dollars in the community including the new office facilities, new Master Telecommunications Center and network infrastructure
- Provides nearly the entire Sun Valley area with state-of-the-art, broadband fiber technology
- Contributes nearly \$50,000 through cash and in-kind donations annually to community organizations focused on youth, technology, education, conservation, diversity and inclusion
- Through more than 15 sponsorships of Sun Valley area events, our employees make a difference in the lives of our friends and neighbors and also actively volunteer in community opportunities
- Cox is proud to support local chambers and visitors centers, the Blaine County Drug Coalition, Camp Rainbow Gold, Wood River Community YMCA, Girls on the Run, Sun Valley Center for the Arts, Sun Valley Film Festival and more
- Through Cox's involvement in Connect2Compete, we offer low-cost, high-speed Internet services to students who qualify for the free school lunch program
