**Same Service Provider
in a Competitive Contract
Environment**

Service Definitions

Private Network

Managed | Monitored Service

Service Level Agreement (SLA)

Centralized Delivery

Enterprise Network

Managed | Monitored Service

Service Level Agreement (SLA)

Commodity | Consumer

Not Managed or Monitored

**No Service Level Agreement
(SLA)**

Private Network Structure Considerations

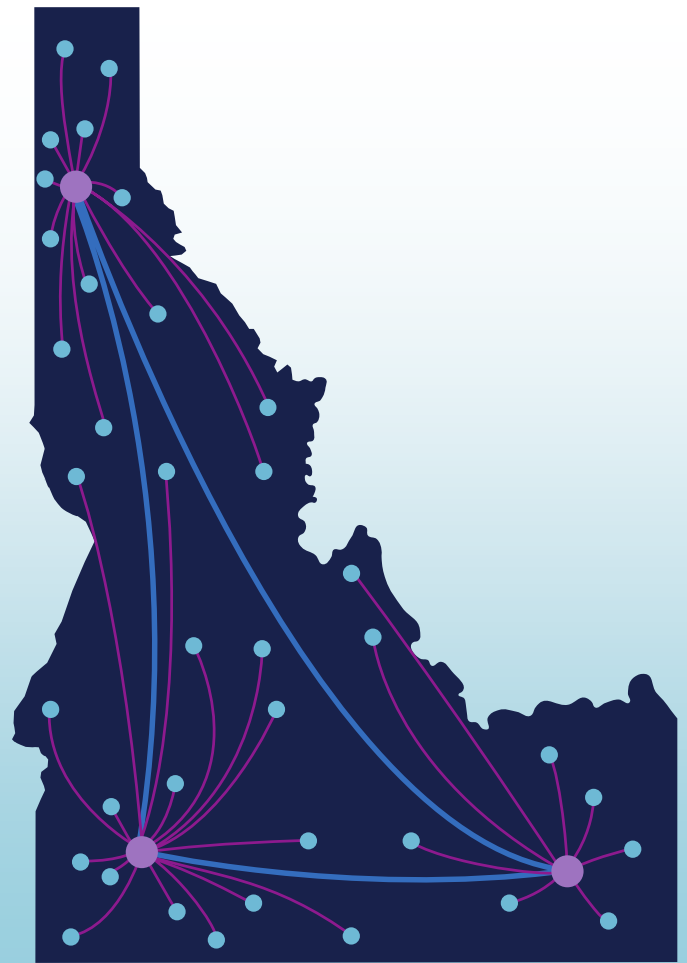

A woman with long dark hair, wearing a light blue button-down shirt, is lying on her stomach on a grassy area. She is smiling and looking at a laptop computer. To her right is a large, light blue backpack with dark grey straps and zippers. The background is a blurred outdoor setting, possibly a park or a field.

Structure

Establish Regional Point of Presence

Establish Backbone Network

N Idaho, SW Idaho, SE Idaho

Management

State Owns and Operates Key Equipment

Management by State or Independent Contract

Interchangeable Parts = Accountability and Lower Risk

Competition

Opt-In vs Opt-Out

Independent Circuit Awards

Relevant Service Level Agreements (SLA)

Questions and Discussion
