1. IDAPA 13.01.02 - Rules Governing Hunter Education and Mentored Hunting

The Department of Fish and Game submits notice of proposed rule at IDAPA 13.01.02 - Rules Governing Hunter Education and Mentored Hunting. According to the department, the purpose of the rulemaking is to clarify the limits of the Hunting Passport for 8-Year-Old children.

The department states that negotiated rulemaking was not conducted due to the simple nature of the changes. Rulemaking appears to be authorized pursuant to Section 36-401, Idaho Code.

2. IDAPA 13.01.16 - The Trapping of Predatory and Unprotected Wildlife and the Taking of Furbearing Animals

The Department of Fish and Game submits notice of proposed rule at IDAPA 13.01.16 - The Trapping of Predatory and Unprotected Wildlife and the Taking of Furbearing Animals. According to the department, it has been working with trappers on trapper education to avoid situations where pets and other non-target animals are caught rather than pursuing any additional restrictions. The department states that it met with trapper association presidents who expressed support for a trapper education requirement.

Negotiated rulemaking was conducted. The rule will establish a mandatory trapper education class, the class length and required subject matter to be covered. There is already statutory authority to authorize a fee not to exceed \$8.00 for reimbursement of furnished materials. The rulemaking appears to be authorized pursuant to Sections 36-104, 36-1101 and 36-1103, Idaho Code.

According to the department, the purpose of the rule is to align the criteria for the distance of black bear baiting sites from water, trails and roads. It appears that the department has revised the required distance restriction from "any road" to "any established roadway that is open to the general public for motorized traffic and capable of being traveled by full-sized automobiles."

Negotiated rulemaking was conducted. The rulemaking appears to be authorized pursuant to Sections 36-104 and 36-1101, Idaho Code.

DOCKET NO. 13-0116-1501

NOTICE OF RULEMAKING - PROPOSED RULE

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Sections 36-104(B), 36-1101(A), and 36-1103, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than October 21, 2015.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

The Idaho Fish and Game Commission directed the Department to work with trappers on trapper education as a means to avoid catching pets and other non-target animals rather than pursuing additional trapper equipment restrictions. The Department met with trapper association presidents who expressed support for a trapper education requirement. The rule was negotiated, and the proposed rule would establish a mandatory trapper education class, the class length, and required subject matter to be covered.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased:

Section 36-412(c), Idaho Code, authorizes a fee of not more than eight dollars (\$8.00) for reimbursement of furnished materials.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year resulting from this rulemaking:

No fiscal impact to the General Fund. A program fee of eight dollars (\$8) (Idaho Code Section 36-412(c)) for each individual enrolling in trapper education will recover some costs of the program. IDFG expects that the trapper education program will cost approximately fifty thousand dollars \$50,000 for the first two years in order to start up the program and meet short term demand for classes. Expenses will decrease in subsequent years. These expenses will affect the fish and game dedicated fund.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(1), Idaho Code, negotiated rulemaking was conducted. The Notice of Intent to Promulgate Rules - Negotiated Rulemaking was published in the April 1, 2015 Idaho Administrative Bulletin, [Vol. 15-4, page 27](#).
