24.25.01 - RULES OF THE IDAHO DRIVING BUSINESSES LICENSURE BOARD

DOCKET NO. 24-2501-1501

NOTICE OF RULEMAKING - PROPOSED RULE

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Section 54-5403, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than October 21, 2015.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

Applicants for licensure as a driving instructor must undergo a medical examination and obtain a new medical certificate thirty days before applying for the instructor apprenticeship training program and before applying for an instructor license. Because the apprenticeship program normally takes more than one month to complete, applicants usually must undergo 2 medical exams in a short period of time to obtain an instructor license. This redundancy is expensive and is unnecessary for the protection of the safety, health, and welfare of the public. Extending the period to 2 years will eliminate this waste of time, money, and other resources.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: None.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year resulting from this rulemaking: NA

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not conducted because the amendment will benefit the applicants and it was discussed during a noticed, open meeting of the Board.

03. Driving Record and Drivers License. Each applicant must submit a copy of a valid driver's license in good standing and a copy of a satisfactory driving record. (4-7-11)

04. Criminal History Background Check. Each applicant must submit to a current, fingerprint-based criminal history check conducted by an organization approved by the Board. The application will not be processed until the completed fingerprint-based criminal history background check has been received. (3-20-14)

05. Medical Certificate. A driving instructor licensee may not provide in-vehicle instruction to students if the instructor suffers from a medical condition that may impair the instructor's ability to safely instruct student drivers. Accordingly, each applicant for an instructor's license must obtain a medical examination conducted in accordance with the Federal Motor Carriers Safety Regulations (49 CFR 391.41-391.49). The examination must ~~occur~~ **be completed** within ~~the thirty (30) days~~ **two (2) years** preceding the application. The applicant must submit a medical affidavit or certificate, issued and signed by a licensed, qualified medical professional documenting that the examination occurred and that the applicant does not suffer from any physical or mental condition or disease that would impair the applicant's ability to safely instruct student drivers. If a medical condition exists, the applicant must re-certify as the medical professional requires and submit that information to the Board. (4-7-11)()

06. Education. Each applicant must submit written evidence, satisfactory to the Board, of having graduated from a high school or a regionally or nationally accredited college or university, or of having obtained a GED. (4-7-11)

a. Proof of successful completion must include written certificate from a Board-approved apprenticeship training program certifying that the applicant has satisfactorily completed the program. An applicant need not have completed all required classroom instruction and behind-the-wheel training hours through a single program so long as the last program attended by the applicant ensures itself, and its business licensee certifies to the Board that the applicant has satisfactorily completed all required hours through Board-approved apprenticeship training programs. (4-7-11)

b. A person may not enroll in an apprenticeship training program unless the person has applied for,

paid for, and obtained an apprenticeship permit from the Board. The applicant must apply on Board-approved forms, which must identify the applicant and the business licensee in whose approved apprenticeship training program the applicant will be enrolled. The individual applicant must establish that they are at least twenty-one (21) years old, hold a valid driver's license and a satisfactory driver license record, have passed a fingerprint based criminal history background check, and have obtained a medical certificate consistent with the requirements of Subsections 250.02 through 250.05. An apprenticeship permit automatically expires one (1) year after issuance. The Board also may suspend or revoke an apprenticeship permit, and refuse to issue another permit, if the permittee engages in any act or omission that would subject the permittee to discipline if the permittee had an instructor's license. No one may be a permittee for more than three (3) years. (3-20-14)

08. Waiver of Instructor Apprenticeship Training Program. An applicant shall be entitled to a waiver of the apprenticeship training program if they possess the requisite training and experience as set forth below. (4-11-15)

a. An applicant who holds a current active unrestricted equivalent driving instructor license from another state shall qualify for a waiver of the apprenticeship training program requirement. The applicant is responsible to provide proof to the Board that they hold a current unrestricted driving instructor license from another state, and that said license is equivalent to an Idaho driver instructor license in its qualifications and scope of practice; or (4-11-15)

b. An applicant who has held an active and unrestricted public driver education instructor license issued by the Idaho State Department of Education for at least two (2) years shall qualify for a waiver of the apprenticeship training program requirement. The applicant is responsible to provide proof to the Board that they hold a current unrestricted Idaho public driver instructor license. (4-11-15)
