

STATEMENT OF PURPOSE

RS23423

This legislation provides procedures for selection of and exercise of authority by Idaho delegates to an Article V convention, if called by states. This bill does not call for a convention. Under Article V a convention can be called with the requisite number of applications from states, whether or not Idaho has joined in that application. This legislation allows Idaho to be prepared to represent its interests should a convention be convened with or without its application.

FISCAL NOTE

There is no impact to the general fund. In the event a convention is called, the state would pay to the delegates \$100 per day for honorarium, plus expenses pursuant to section 59-509(p), Idaho Code.
