### RS23728

This is the fiscal year 2016 appropriation bill for the Office of Drug Policy. It appropriates \$303,000 from the General Fund, \$18,500 in dedicated funds, and \$3,933,100 in federal funds, for a total of \$4,254,600 and 6.0 FTP. The bill includes three line items. The first line item increases federal grant funds by \$609,500 to reflect a faster distribution of substance abuse grant funds that were awarded to the office for the current fiscal year. The second line item is for an object transfer of \$12,000 from operating costs to personnel costs from federal funds to hire temporary help during high workload times. The third line item is for \$15,000 of dedicated funds for personnel costs so the office can retain an employee currently being paid by the federal government.
