

## STATEMENT OF PURPOSE

### RS23209

This legislation exempts duplicate licenses, which by definition includes licenses, tags, and permits, from set-aside account provisions of the dedicated fish and game fund because the set-aside account provisions are achieved at the time of the original license purchase. This legislation also corrects terminology in the amended sections.

### FISCAL NOTE

There is no fiscal impact to the General Fund. There is no overall fiscal impact to the dedicated fish and game fund but an estimated \$24,900 will remain in the fund and not be paid into the fish and game set-aside account within the dedicated fund.
