11 ment to each public charter school for each fiscal year based on attendance
12 figures submitted in a manner and time as required by the department of edu-
13 cation:

14 (1) Per student support. Computation of support units for each public
15 charter school shall be calculated as if it were a separate school accord-
16 ing to the schedules in section 33-1002(4), Idaho Code, except that public
17 charter schools with fewer than one hundred (100) secondary ADA shall use a
18 divisor of twelve (12) and the minimum units shall not apply, and no public

20 support units it received in the prior year by more than thirty (30). Funding
21 from the state educational support program shall be equal to the total dis-
22 tribution factor, plus the salary-based apportionment provided in chapter
23 10, title 33, Idaho Code. Provided however, any public charter school that
24 is formed by the conversion of an existing traditional public school shall
25 be assigned divisors, pursuant to section 33-1002, Idaho Code, that are no

38 (4) Transportation support. Support shall be paid to the public char-

42 charter school students who are eligible for reimbursement of transporta-

1 tion costs under the provisions of this subsection and who reside more than
 2 one and one-half (1 1/2) miles from the school. The state department of edu-
 3 cation is authorized to include in the annual appropriation to the charter
 4 school sixty percent (60%) of the estimated transportation cost. The final
 5 appropriation payment in July shall reflect reimbursements of actual costs
 6 pursuant to section 33-1006, Idaho Code. To be eligible for state reimburse-
 7 ment under the provisions of section 33-1006, Idaho Code, the student to be
 8 transported must reside within the public charter school's primary atten-
 9 dance area, and must meet at least one (1) of the following two (2) criteria:

10 (a) The student resides within the school district in which the public
 11 charter school is physically located; or

12 (b) The student resides within fifteen (15) miles of the public charter

 21 defray the purchase, fee, loan or lease costs associated with payments for
 22 real property used by the students or employees of the public charter school
 23 for educational or administrative purposes. Such funds shall be distributed
 24 from the moneys appropriated to the educational support program, and shall
 25 be calculated as a percentage of the statewide average amount of bond and
 26 plant facility funds levied per student by Idaho school districts, as fol-
 27 lows:

28 Fiscal Year 2014 Twenty Percent (20%)

29 Fiscal Year 2015 Thirty Percent (30%)

30 For fiscal year 2016 and each fiscal year thereafter, this percentage
 31 shall increase by ten percent (10%) each time the total appropriation of
 32 state funds for the educational support program increases by three percent
 33 (3%) or more over the prior fiscal year, and shall decrease by ten percent
 34 (10%) each time the total appropriation of state funds for the educational
 35 support program decreases as compared to the prior fiscal year. Provided
 36 however, that the percentage shall be no less than twenty percent (20%) and
 37 no greater than fifty percent (50%), and that the average amount of funding
 38 received per public charter school shall not exceed the average amount of
 39 funding received by each school district pursuant to the provisions of sec-
 40 tion 33-906, Idaho Code.

41 For those public charter schools that do not receive facilities funds
 42 for all enrolled students, the school may submit to the state department of
 43 education a reimbursement claim for any costs for which facilities funds may
 44 be used. The state department of education shall reduce such claim by the
 45 greater of fifty percent (50%) or the percentage of the school's enrolled
 46 students for which the school receives facilities funds, and shall pay the
 47 balance. Provided however, that the total reimbursements paid to a public
 48 charter school, in combination with any facilities stipend received by the
 49 school, shall not exceed the amount of facilities funds that would have been

1 received by the school had the school received facilities funds for all en-
 2 rolled students. For the purposes of this subsection, the term "real prop-
 3 erty" shall be used as defined in section 63-201, Idaho Code.

4 (6) Payment schedule. The state department of education is authorized
 5 to make an advance payment of twenty-five percent (25%) of a public charter
 6 school's estimated annual apportionment for its first year of operation,
 7 and each year thereafter, provided the public charter school is serving more
 8 grades or at least ten percent (10%) more classes than the previous year, to
 9 assist the school with initial start-up costs or payroll obligations. For a
 10 public charter school entering its second or greater year of operations, the
 11 state department of education may require documentation establishing the
 12 need for such an advance payment, including comparative class schedules and
 13 proof of a commensurate increase in the number of employees.

14 (a) For a public charter school to receive the advance payment, the
 15 school shall submit its anticipated fall membership for each grade
 16 level to the state department of education by June 1.

17 (b) Using the figures provided by the public charter school, the state
 18 department of education shall determine an estimated annual apportion-

 20 Advance payment shall be made to the school on or after July 1 but no
 21 later than July 31.

22 (c) All subsequent payments, taking into account the one-time advance
 23 payment made for the first year of operation, shall be made to the public
 24 charter school in the same manner as other traditional public schools in
 25 accordance with the provisions of section 33-1009, Idaho Code.

26 A public charter school shall comply with all applicable fiscal requirements
 27 of law, except that the following provisions shall not be applicable to pub-
 28 lic charter schools: that portion of section 33-1004, Idaho Code, relating
 29 to reduction of the administrative and instructional staff allowance when
 30 there is a discrepancy between the number allowed and the number actually em-
 31 ployed; and section 33-1004E, Idaho Code, for calculation of district staff
 32 indices.

33 (7) Nothing in this chapter shall be construed to prohibit any private
 34 person or organization from providing funding or other financial assistance
 35 to the establishment or operation of a public charter school.

36 (8) Each public charter school shall pay an authorizer fee to its
 37 authorized chartering entity, to defray the actual documented cost of mon-
 38 itoring, evaluation and oversight, which, in the case of public charter
 39 schools authorized by the public charter school commission, shall include
 40 each school's proportional fee share of ~~all~~ moneys appropriated from the
 41 public charter school authorizers fund to the public charter school com-
 42 mission, plus fifteen percent (15%). Provided however, that each public
 43 charter school's board of directors may direct up to ten percent (10%) of
 44 the calculated fee to pay membership fees to an organization or association
 45 that provides technical assistance, training and advocacy for Idaho public
 46 charter schools. Unless the authorized chartering entity declines payment,
 47 such fee shall be paid by ~~February~~ March 15 of each fiscal year and shall not
 48 exceed the greater of:

49 (a) All state funds distributed to public schools on a support unit ba-
 50 sis for the prior fiscal year, divided by the statewide number of public

1 school students in average daily attendance in the first reporting pe-
2 riod in the prior fiscal year; or

3 (b) The lesser of:

4 (i) The result of the calculation in subsection (8) (a) of this
5 section, multiplied by four (4); or

6 (ii) One and one-half percent (1.5%) of the result of the calcula-
7 tion in subsection (8) (a) of this section, multiplied by the pub-
8 lic charter school's average daily attendance in the first report-
9 ing period in the current fiscal year.

10 (9) Nothing in this chapter shall prevent a public charter school from
11 applying for federal grant moneys.

12 (10) (a) Each student in attendance at a public virtual school shall be
13 funded based upon either the actual hours of attendance in the public
14 virtual school on a flexible schedule, or the percentage of coursework
15 completed, whichever is more advantageous to the school, up to the maxi-
16 mum of one (1) full-time equivalent student.

17 (b) All federal educational funds shall be administered and dis-
18 tributed to public charter schools, including public virtual schools,
19 that have been designated as a local education agency (LEA), as provided
20 in section 33-5203(7), Idaho Code.

21 (11) Nothing in this section prohibits separate face-to-face learning
22 activities or services.

23 (12) The provisions of section 33-1021, Idaho Code, shall apply to pub-
24 lic charter schools provided for in this chapter.
