4 "SECTION 1. That Title 39, Idaho Code, be, and the same is hereby
5 amended by the addition thereto of a NEW CHAPTER, to be known and designated
6 as Chapter 92, Title 39, Idaho Code, and to read as follows:

7 CHAPTER 92
8 IDAHO DIRECT PRIMARY CARE ACT

9 39-9201. SHORT TITLE. This chapter shall be known and may be cited as
10 the "Idaho Direct Primary Care Act."

11 39-9202. PUBLIC POLICY. It is the policy of the state of Idaho to
12 promote personal responsibility for health care and the cost-effective
13 delivery of medical services by encouraging innovative use of direct pa-
14 tient-provider practices for primary medical care. Direct patient-provider
15 practices utilize a model of periodic fees for provider access and medical
16 management over time, rather than simply a fee for visit or procedure service
17 model. Some patients and individual primary care providers may wish to es-
18 tablish direct agreements with one another as an alternative to traditional
19 fee-for-service care financed through health insurance. The purpose of this
20 act is to confirm that direct patient-provider agreements that satisfy the
21 provisions of this chapter do not constitute insurance.

22 39-9203. DEFINITIONS. For purposes of this chapter, the following
23 definitions apply:

24 (1) "Direct fee" means an agreed-upon fee charged by a primary care
25 provider as consideration for providing and being available to provide di-
26 rect primary care services described in a direct primary care agreement.

27 (2) "Direct primary care agreement" means a written contract between a
28 primary care provider and an individual patient or a patient's representa-
29 tive in which the primary care provider agrees to provide direct primary care
30 services to the patient over a specified period of time for payment of a di-
31 rect fee.

32 (3) "Direct primary care services" means those services that a primary
33 care provider is licensed or otherwise legally authorized to provide and may
34 include, but are not limited to, such services as screening, assessment, di-
35 agnosis and treatment for the purpose of promoting health; detection, man-
36 agement and care of disease or injury; or routine preventive or diagnostic

1 dental treatment. Such services may be provided in a primary care provider's
2 office, the patient's home or other locations where a patient visit with the
3 primary care provider needs to occur.

4 (4) "Patient" means a person who is entitled to receive direct primary
5 care services under a direct care agreement.

6 (5) "Patient's representative" means a person identified in section
7 39-4504(1) (a) through (g), Idaho Code.

8 (6) "Primary care provider" means a natural person licensed or other-
9 wise legally authorized to provide health care services in the state of Idaho
10 in the field of pediatrics, family medicine, internal medicine or dentistry,
11 who provides such services either alone or in professional association with
12 others in a form and within a scope permitted by such licensure or legal au-
13 thorization for the provision of such services, and who enters into a direct
14 primary care agreement.

15 39-9204. DIRECT PRIMARY CARE AGREEMENT PROVISIONS. (1) A direct pri-
16 mary care agreement shall identify:

17 (a) The primary care provider and the patient;

18 (b) The general scope of services as well as the specific services to be
19 provided by the primary care provider;

20 (c) The location or locations where services are to be provided;

21 (d) The amount of the direct fee and the time interval at which it is to
22 be paid; and

23 (e) The term of the agreement and the conditions upon which it may be
24 terminated by the primary care provider. The agreement shall be ter-
25 minable at will by written notice from the patient to the primary care
26 provider.

27 (2) If a party provides written notice of termination of the direct pri-
28 mary care agreement, the primary care provider shall refund to the patient
29 all unearned direct fees within thirty (30) days following the notice of ter-
30 mination.

31 39-9205. INSURANCE BILLING PROHIBITED. Neither the patient nor the
32 primary care provider shall submit a bill to an insurer for the services pro-
33 vided under a direct primary care agreement.

34 39-9206. AGREEMENTS NOT CLASSIFIED AS INSURANCE. Direct primary care
35 agreements are not subject to regulation as insurance under title 41, Idaho
36 Code.

37 39-9207. DISCLAIMER. A direct primary care agreement shall include
38 the following disclaimer: "This agreement does not provide health insurance
39 coverage, including the minimal essential coverage required by applicable
40 federal law. It provides only the services described herein. It is recom-
41 mended that health care insurance be obtained to cover medical services not
42 provided for under this direct primary care agreement."

43 39-9208. RESTRICTIONS ON TRANSFER. A direct primary care agreement
44 may not be sold or transferred by the primary care provider without the
45 written consent of the patient and may be transferred only to another pri-

1 mary care provider. A direct primary care agreement may not be sold to a
2 group, employer or group of subscribers because it is an individual agree-
3 ment between a primary care provider and a patient. These limitations do
4 not prohibit the presentation of marketing materials to groups of potential
5 patients or their representatives but said marketing materials are subject
6 to chapter 6, title 48, Idaho Code."

7 CORRECTION TO TITLE
