

STATEMENT OF PURPOSE

RS23471

Idaho Department of Parks and Recreation (IDPR) has been directed to find new sources of revenue in order to be more self-sufficient and reduce reliance on the General Fund. Sponsorships and partnerships are a potential revenue source for the Department. The proposed legislation clarifies that the Park and Recreation Board and IDPR staff have the authority to engage in sponsorship and partnership opportunities with private businesses and other organizations.

FISCAL NOTE

The proposed legislation will have no impact to the General Fund. It is estimated that in the first year IDPR will raise an additional \$20,000 and that in future years as much as \$100,000 might be raised. All monies raised will be used for support and/or marketing of IDPR parks and recreation programs, subject to appropriation by the legislature.
