

## STATEMENT OF PURPOSE

### RS23845

This proposed legislation defines hemp extract and allows an exemption for the use and possession of such substance by individuals or parents of children with intractable epilepsy. This proposed legislation gives the Idaho Department of Health and Welfare the authority to regulate hemp extract registration, promulgate rules, and issue hemp extract registration cards to individuals or parents meeting the requirements listed herein, and defines the criteria for when the Department would issue hemp extract registration cards to applicants.

### FISCAL NOTE

The fiscal impact to the General Fund will include \$39,000 one-time costs to cover the administrative activities required of the Department of Health and Welfare; \$20,000 one-time costs to cover the administrative activities required of the Idaho State Police. The fiscal impact will also include \$2,500 annually in ongoing costs to Idaho state Police for continued maintenance of the Idaho Law Enforcement Telecommunication System (ILETS) system.
