

STATEMENT OF PURPOSE

RS23989

This bill amends the Board of Examiners of Residential Care Facility Administrator's renewal and reinstatement of license statutes by eliminating one statute and aligning the other with Idaho Code Section 67-2614, the Bureau of Occupational License's statute for renewal or reinstatement of licenses. During the 2015 regular legislative session, House Bill 117 updated Idaho Code Section 67-2614 to establish a uniform license reinstatement process. Aligning with Idaho Code Section 67-2614 will simplify and standardize reinstatement of expired licenses.

FISCAL NOTE

There will be no impact to the General Fund. The Board of Examiners of Residential Care Facility Administrators operates solely on dedicated funds derived primarily from licensing fees. While this bill will allow the Board to increase the license reinstatement fee from \$25 to \$35, it will also allow licensees to benefit from the elimination of the requirement that those with expired licenses pay a license renewal fee for each year that their license was expire.
