

## **STATEMENT OF PURPOSE**

### **RS24190**

The purpose of this legislation is to ensure the uniform and prudent regulation of auxiliary containers. This law would require that any regulation or taxation of auxiliary containers be done by the legislature, not by individual political subdivisions of the state. It would not interfere with or limit any municipal or county recycling program, nor would it prevent any retail or food establishment from utilizing any type of auxiliary container it chooses.

### **FISCAL NOTE**

This legislation will have no impact on the General Fund.
